REVIEWING PLANS for Sigma Nu-sponsored blood drive at West Texas State University are, seated, Mrs. Michael Hicks-Beach, Potter County Chairman of Volunteers; and standing, Margaret Stewart, chief nurse, Wichita region blood bank; Bob Finney, Sigma Nu president; Jerry La Grone, head of local Red Cross; and Archie Williams, administrative director of Wichita bank. Drive will be held next Thursday and Friday.

"Bleed-In" Next Week To Be First In Texas

Regional Red Cross officers met Monday with local Red Cross officials and representatives of student organizations to make plans for the Sigma Nu blood drive, which will be conducted next week at West Texas State University.

While 100,000 students in 70 colleges throughout the nation have asked to participate in "bleed-in" projects, WTSU is the first university in Texas to take such action.

Plan was initiated by Sigma Nu President Bob Finney, Plainview senior, who has found the idea accepted eagerly by students wishing to show active support of U. S. policy in Viet Nam by donating blood to American servicemen overseas.

On campus Monday to make arrangements for the two-day drive were Margaret Stewart,

Veterans' Services To Be Held Today

Public Veteran's Day ceremonies will be held by Reserve Officer's Training Corps unit of West Texas State University at 1:05 p. m. this afternoon (Thursday).

Special ceremonies in observance of Veteran's Day and honoring American war dead will be conducted on the field north of the Administration Building. Included in the program will be presentation of several awards.

Medley of Armed Forces songs will be played by the R.O.T.C. band. The rifle team will fire a salute, and taps will be sounded.

Cadet Lt. Col. William R. Harris of Canyon will be awarded

Umbarger Festival Is Sunday

Annual Umbarger German Sausage Festival will be held Sunday at St. Mary's Parish Hall in Umbarger.

Continuous serving of German sausage, sauerkraut, home made bread and other foods will begin at 11 a. m. and continue until 4 p. m.

Throughout the day-long celebration outdoor games and treats will be provided for youngsters, and raffle, Bingo, a bazaar and a country store will attract the adults.

Bazaar will offer various types of needlework, from stuffed animals to throw pillows. The country store is to feature home-made foods, particularly breads, pies, cookies and canned goods.

An evening dance will climax the festival, with music provided by the "Mellow-Tones" of Lubbock. Dance is scheduled for 8:30 p. m. until midnight. (See UMBARGER, Page 11)

Gene Howe Dedication Ceremony Set Sunday

Dedication services for Gene Howe Elementary School in South Amarillo will be held at 2:30 o'clock Sunday afternoon.

Gene Howe Elementary School is a part of the Canyon School System.

The new elementary building was constructed at a cost of \$483,000 and went into use at the beginning of the current school term.

It was named in memory of the late Gene Howe, publisher of The Amarillo Globe-News until his death in 1952.

School Superintendent Huelyn Laycock said the contract for the building, erected by Doyle Construction Company of Amarillo, was \$444,900. Equipment for the building was purchased at a cost of about \$25,000 and water and sewer service were acquired at a cost of an additional \$14,000.

Gene Howe School has 18 classrooms, a music room, physical education room, library, materials room and lounge and a cafeteria, which serves a cafeteria and an auditorium.

Laycock said six rooms presently are not in use. The school opened this year with 268 students and facilities to accommodate 525 students as the residential area around it is developed.

The school has a faculty of 15, including Principal Luther Lawless.

Veteran's Day

(An Editorial)

This excerpt is perhaps one of the most fitting salutes to Veteran's Day which might be found this year. While not among the most recent orations honoring war dead, it will always rank with the greatest:

"Thus choosing to die resisting, rather than to live submitting, they fled only from dishonor, but met danger face to face, and after one brief moment, while at the summit of their fortune, escaped, not from their fear, but from their glory.

"You, their survivors, must determine to have as unaltering a resolution in the field, though you may pray that it may have a happier issue.

"And then when all her greatness shall break upon you, you must reflect that it was by courage, sense of duty, and a keen feeling of honor in action that men were enabled to win all this, and that no personal failure in an enterprise could make them consent to deprive their country of their valour, but they laid it at her feet as the most glorious contribution that they could offer.

"These take as your model, and judging happiness to be the fruit of freedom and freedom of valour, never decline the dangers of war."

The above words are those of the great Athenian orator Pericles, who delivered this salute to Athens' war dead in 431 B. C.

CHS Band Marches For First Rating

Canyon High School Band received a first division rating in marching contests of the University Interscholastic League

held Tuesday at West Texas State University.

"There wasn't a single bad band in the bunch," Gary Zook, band director, commented, noting that Hereford, Tulla, Levelland and Muleshoe bands also received first divisions in the competition.

The Canyon band performed at mid-morning under the field direction of Dana Reynard, drum major.

Four second divisions were given to Canyon twirlers in solo contests, and the majorettes trio presentation won a first division.

Majorettes competing were Linda Grimes, senior, and Susan Read and D'Lynn Beilak, (See CHS, Page 11)

Viennese Pianist Opens New Season

Community Concert Series will open tonight, Thursday, with an appearance by celebrated young Viennese pianist Joerg Demus.

Known as an interpreter of great romantic composers, Demus is a winner of the coveted Busoni Prize, competition for which includes concert pianists

of twenty countries. He has been described by "La Presse" of Paris as "the most perfect pianist of the younger generation."

Nine composers, ranging from Schubert and Franck to Bartok and Beethoven, will be featured in tonight's performance, which begins at 8 p. m. in Canyon High School auditorium.

According to Demus, Schubert was "one of the last composers who held the secret of making an original inspiration, a work of art sound like a folk tune, whistled by the man in the street." To prove this he offers twelve "Laendler" Opus 171 by Schubert. Works by Robert Schumann and Cesar Franck follow.

Second half of the Demus program opens with a segment on "Masterworks of the Twentieth Century." This group of shorter masterpieces of our century includes "pieces as heterogeneous as can be, just bound together through one string: quality."

Included here are works by Claude Debussy, Paul Hindemith and Serge Prokofiev; Jean Sibelius' Nordic, deeply felt "Romance in D flat Major"; and Bela Bartok's "Rumanian Folk - Dances," in Demus' (See VIENNESE, Page 11)

Suspect Nabbed By Deputy

A man just out of Potter County jail Monday morning went right back to his old cell after being nabbed by Randall County Deputy Sheriff Ray Tinsley on a car theft complaint.

The man is alleged to have stolen an auto in Amarillo shortly after being released from Potter County jail where he had served a sentence on vagrancy charges.

Tinsley was stationed at Hazlewood Corner on the lookout for some truants from Amarillo School. He received a radio message on a stolen car and then looked up to see the vehicle coming down the freeway.

Tinsley gave chase at speeds up to 100 miles an hour on the highway. The car veered off on a city street in north Canyon. Tinsley made the arrest after the suspect's car blew a tire.

"You must like our jail," a Potter County deputy told the suspect after the man was returned to jail in Amarillo.

"I was going to California and hadn't planned to get caught," the prisoner is quoted as having replied. The case was set for grand jury hearing in Potter County.

"Go-Ahead" Given To New Green Epic

BY LINDA LOVE

"Texas," Pioneer Amphitheatre story of the hardy cattlemen and settlers who carved homes in the Plains, will open in Palo Duro Canyon next July.

The new production written for the amphitheatre by noted playwright Paul Green was announced today by the Texas Panhandle Heritage Foundation. Announcement marked the attainment of the \$90,000 goal in underwriting which has been set earlier.

More than \$100,000 in underwriting has already been received by the board of directors, according to Foundation President Mrs. Ples Harper. This makes it possible for the directors to proceed immediately with preparations for next summer.

Joe Gidden raised at least one-fifth the total amount, said Mrs. Harper.

"Each and every one I talked to was well aware of what the amphitheatre had done for the community and the possibilities of what it could do," commented Gidden. "Most had seen this summer's play one or more times, and many had helped there. Of sixty persons I talked to, 51 signed pledges of underwriting of \$500 each, and several of the others agreed to help if it became necessary."

Gidden raised the funds in three days, during regular business about the square. "It's a good thing for the community and the area," he continued, "and it's good to be a part of making it happen and making it successful. Most people realized the favorable economic impact of the project on the community."

According to Gidden most persons he talked with expressed amazement at the excellent production ("Thundering Sounds of the West") presented this past summer and (See "GO-AHEAD" Page 11)

Seventh Grade Is Unbeaten

Coach Cagle Davis and his seventh grade footballers raced passed Hereford 30-0 last week, to complete an undefeated season.

The seventh grade was tied 0-0 by Plainview several weeks ago but in the other five battles, the Canyon team has come out the victor.

Canyon achieved the last knotch on the victory belt by demolishing Hereford with a well balanced offense and strong defense. Quarterback David Carter dashed 50 yards for one seventh grade tally, Brothers (See SEVENTH, Page 11)

Mrs. Martha Stevens teaches reading and spelling to two of her pupils at Gene Howe Elementary School. The pupils are from left, Quintin Ely and Jackie Terry. The new school facility will be dedicated Sunday.

Gold Star Members Named In Program

Gold Star Boy and Girl were named Saturday night at the annual Randall County 4-H Club Achievement program held in the Junior Livestock Building.

Bob Gruner, son of Mr. and Mrs. Forrest Gruner, was named Gold Star Boy and Sharon Allen, daughter of Mr. and Mrs. Ted Allen was named Gold Star Girl for Randall County.

Also the Santa Fe Education Award was presented to Miss Cindy Gruner, sister of the Gold Star Boy, for being among the top 12 Texas 4-H Club members this year.

Bob Gruner is a sophomore at Canyon High School and has engaged in 4-H Club work for the past eight years. He attended the state 4-H Club Roundup in cooperative demonstration this year with his sister, Cindy, as a teammate.

Gruner placed in the top ten in the Wheat King Contest at the Tri-State Fair last year and has served on the District 4-H Council this year.

He has twice attended electric camp which is sponsored by Southwestern Public Service. To top off his other achieve-

ments, he has held every office of the Lucky Beaver 4-H Club.

As a junior leader, Gruner serves both the Lucky Beavers and other 4-H Clubs of Randall County. He was a county host for the 4-H Report to the Nation this year. He served as a representative to the county council for his club and has entered calves, horses and swine in the county livestock show. Among other projects undertaken by young Gruner is a field crop entry and a herd of commercial cattle.

Gruner serves as sophomore representative to the student council at Canyon High School. He is active with the Future Farmers of America in which he holds the chapter farmer degree. He also is interested in sports and plays basketball.

Miss Allen is 16 years old. She has been in 4-H work for the past five years and is a member of the Thundering Buffalo 4-H Club where she has held all offices. She currently is council delegate.

Among the honors won by Miss Allen are three blue ribbons and one red ribbon for

Seven Guess All Winners

Seven persons made perfect scores in last week's football contest, making it necessary to use the tie breakers to choose first and second place winners.

Points missed by the contestants in guessing tie breaker scores were totalled and winners judged by lowest number of missed points.

First prize of \$10 was awarded to Charles Smyrl of 2009 Second Avenue, while second place prize of \$5 went to Richard Burgess of 1904 Seventh Avenue.

College football contest is held weekly throughout football season.

FROM THE
CANYON RIM

The wall between church and state in this country is being breached by the ever-present federal aid.

One of the strongest proponents of separation of church and state has always been the Southern Baptist Convention. Of late many Baptist leaders have veered in the direction of accepting federal aid in areas where it always has been refused before.

I talked to Dr. Ralph Scales, former president of Oklahoma Baptist University and presently president of Oklahoma State University, over the week end. Dr. Scales was principal speaker for the homecoming banquet at Oklahoma Baptist University.

I put the federal aid question to him very bluntly.

I got an answer back that was just as blunt.

"It is not a question of whether or not it's best," Dr. Scales declared. "The children have been born and they must be educated."

Canyon Girl
Given Honor

Mary Lou Olson, daughter of Mr. and Mrs. Frederick K. Olson of Canyon, was recently named "Miss Northwest Texas Hospital" by her classmates at the Northwest Texas Hospital School of Nursing in Amarillo.

Miss Olson has represented the school in many civic and social functions and has participated in a number of school activities.

On November 22, Miss Olson will be among students graduating from the school of nursing. Graduation exercises will be

After graduation, Miss Olson will be eligible to take the state board examination to become a registered nurse.

Yeggs Hit
Theatre

Burglars forced a door of the concession stand at Canyon Drive-In Theatre Monday night and made off with loot valued at more than \$100.

Investigating officers Calvin Costley and Tom Smith said the loot included a cash register and two dutch ovens. No cash was taken.

Smith, a city officer, discovered the burglary during a routine check about 10 o'clock Tuesday morning. Costley is a Randall County deputy sheriff.

be educated."

He went on to say that in his opinion, federal aid is the only out. He did not express himself on federal aid to church schools.

However, the question of accepting federal aid to certain Baptist institutions now is being argued hotly by church leaders. Ten or even five years ago it was so unthinkable as not to deserve discussion.

Robert F. Kennedy, itinerant senator from New York, has come out in favor of sending blood to Viet Cong communists.

This is not surprising, since the senator has a long history of encouraging civil disobedience, opposing law and order, showing contempt for the nation's constitution and comforting this country's adversaries at home and abroad.

Although declaring that he is not "personally" in favor of it, he indicated that he thinks it is all right if youth of this country want to burn their draft cards as long as they are willing to pay the consequences. The most heinous crime could be justified and condoned by this left-handed logic.

As we drove down to Shawnee last week end we were delighted by the color display put on by mother nature.

Colorado and New Mexico foliage has no color advantage over Oklahoma shrubbery, touched by the magic hand of fall. The weather was fine and I have never seen anything more beautiful.

Speaking of color, until cold weather got them the flowers on the West Texas State University campus were something to behold. The grounds keepers are to be congratulated.

A lesson that Canyon parents would do well to heed has been taught by example by Dr. James P. Cornette, president of West Texas State University.

Canyon people say the Cornette boys all had jobs as they grew up. More recently, son Bill, grew up here and ran the usual gamut of paper delivery and yard tending jobs.

People who patronized Bill say it was nothing unusual, on occasions when Bill was ill to have their paper delivered or their lawn mowed by the university president who taught his sons that obligations are not lightly taken and must be met.

Friends here say that even when there were ten youngsters for every part time job in Lubbock, Bill went to Texas Tech on a week end and had a job the following Monday.

Positions held by the Cornettes in their chosen fields should be proof to the most skeptical that the Cornette formula works.

Commissioner
Approval On
Stockton Plat

Randall County commissioners court Monday approved a proposed plat for lots two through six at Lake Stockton.

The court canvassed returns from last week's state constitutional amendment election. Commissioners voted to put \$200,000 of escrow money on time deposit for interest.

The court also voted to advertise for bids for a new adding machine for the county auditor.

PRESENTING A MEDLEY of Armed Forces songs today will be the U. S. Army R. O. T. C. unit band of West Texas State University. The band will provide the music during Veteran's

Day ceremonies at 1:05 p. m. on the field north of the Administration Building. Public is invited to attend.

Contract Awarded Fraternity
For Library Work To Treat
Children

A \$229,289 contract for construction of a library addition at West Texas State University was approved Friday by Texas State Senior Colleges Board of Regents during a meeting in San Marcos.

Successful bidder for the contract was Tom Badrow of Amarillo, one of seven Amarillo firms competing for the contract. Construction on the proposed unit is expected to begin immediately.

Board authorized WT also to levy a \$2.50 charge for each change in student programs after registration and before the twelfth class day of a semester.

The fee would become effective at the beginning of spring semester. It will be initiated to discourage students from making unnecessary changes in class schedules, according to

President James P. Cornette. Fee for program changes in summer sessions would be charged after the fourth class day.

Board approved college purchase of \$48,765 worth of equipment for Killgore Research Center and \$30,825 worth of equipment for the new Applied Science Building. Research Center equipment includes a \$26,515 magnet and a \$18,000 spectrometer system, according to Dr. Alfred Kraus, Jr., center director.

The university was also authorized to award a contract for \$9,946 for construction of a parking lot and street repairs. J. Lee Milligan of Amarillo is completing the lot between the new Applied Science Building and Jarrett Hall, and is also repairing several campus streets.

Pettijohn Disposal Service of Amarillo was given a \$7,200 contract to furnish containers and remove all refuse from the campus. A portion of the cost will be paid by Saga Food Service, which holds a contract for food service at the university's two dining halls.

Appointment of W. N. "Bill" Durham of Amarillo to the board of directors of the WTSU Foundation was also approved.

Alpha Kappa Psi, national business fraternity, will sponsor its annual Christmas party for some 50 mentally retarded children of Amarillo this year.

"We would like to solicit the help of Canyon merchants and citizens in making this an eventful Christmas for these deserving children," stated George M. Allen.

Items most needed are cash, toys, candy for stockings and Christmas decorations. Those desiring to help with the event should contact George M. Allen at OL 5-7141, Extension 2116, until 4 p. m. daily. After 4 p. m. Allen may be reached at OL 5-4308.

Annual party will be held for children ranging from 5-16 years of age. The group includes 27 boys, 17 girls and six pre-school children.

Leonard Winters and son, Allen, have returned from a hunting trip to Colorado. The Winters travelled with a group from Amarillo.

Rites Held
For Mother
Of Resident

Funeral services were conducted in Channing Saturday for Mrs. Lola Fitzgerald Allmon, 82, of Channing. Mrs. Allmon was the mother of Mrs. E. E. Perkins of Canyon.

Services were held at 10 a. m. at the First Methodist Church of Channing, with Rev. Jimmy Tidwell, minister of First Methodist Church of Perryton, officiating. Burial followed at Channing Cemetery. Arrangements were made by LaGrone Funeral Chapel of Canyon.

Pallbearers were John Matthews of Canyon, Charles Perkins, Edwin Carr, Roy Turner, Noble Thomas and Ky Sherrod. Alternate was O. D. Skelton. Mrs. Allmon died at 8:15 p. m. last Wednesday in Noble Hospital. She had lived in Channing forty years. Her husband Edwin Allmon preceded her in death in 1904.

Mrs. Allmon was born August 16, 1883, in Jones County, Texas, and was married around 1904 in Floyd County. She retired five years ago after having operated the school cafeteria in Channing for eighteen years.

She is survived by two daughters, Mrs. Perkins and Mrs. M. H. Dowlon of Dallas; a son, J. L. Allmon of Palisades, Colorado; three grandchildren and three great grandchildren; and a sister, Mrs. Jim Tubbs of Luling.

The Floyd T. Kiser family was in Wheeler recently to visit with their daughter, Mrs. Frank Walker, Jr., and family.

Mr. and Mrs. A. A. Harding of Bowie have been visiting with the A. W. Hardings and E. P. Hardings in Canyon for the past several weeks.

Birthday Calendar
In "Windup Week"

This week is "Windup Week" for the Community Birthday Calendar drive of Canyon Band Parents Club.

Deadline for sales has been extended to include Saturday. It was originally to end yesterday (Wednesday).

Those who may have been overlooked or have not given information on birth and anniversary dates to one of the band parents may contact Dr. John E. Green, OL 5-3719; or Raymond Raillard, OL 5-3147 or OL 5-2113, by Saturday.

Calendars include community dates such as club meetings and events, as well as the birthdays and anniversaries of those who purchase calendars. Prices are \$1 for a single person, \$1.50 for a couple and \$2 for an entire family. Proceeds will

be used to assist the programs of the bands of Canyon Public Schools.

"This will be the most interesting and informative calendar ever seen; it will be helpful, and informative to you, your family and friends," said Mrs. Roland Johnson, club secretary. "Don't be left out; make that important phone call today."

Mrs. M. L. Knorpp of Corona, New Mexico, visited recently with her son, Kenton Knorpp, and family in Canyon.

Preacher Dennis Shines As Buffaloes Win 20-14

BY ART ALBRACHT
A tremendous individual performance by speedy halfback Donald Dennis, led the West Texas State University Herd to a 20-14 come-from-behind victory over Drake University last Saturday in Buffalo Bowl.

Dennis rushed for 132 yards, took a kickoff back 93 yards on a spectacular display of speed, and made a fantastic pass reception at the Drake 29 while the Buffs were down by one point with only minutes left in the game.

The win over the tough Bulldogs came after two straight defeats and gives WTSU a 6-2 record for 1965. Drake went

into the game looking for an upset and almost saw its dream come true, except for the last ditch scoring drive by the Herd.

A crowd of 11,000 fans in crisp football weather saw quarterback Barry Johncour move the Buffs 72 yards in seven plays, with the climatic touchdown coming on a Tom Moody dive over left tackle from the one yard line.

WTSU had several chances to jump to a lead early in the game, but it wasn't until late in the second quarter that the Buffs scored their first marker.

The scoreless first quarter was a frustrating one for both teams, as they missed golden opportunities to score.

Fullback Moody set up good field position for Drake at the WTSU 43 when he fumbled and defensive end Don Patterson covered the pigskin. Dynamiting fullback Ray Brown, 5-9, 230, slammed for three and then halfback Lee Brothers busted loose for 17 more yards. Brothers run moved the ball to the Buff 23. The Bulldogs drove for a first down inside the WTSU ten, but then the "Infernal Society" fired up

to stop Drake. Manley Sarnowsky, the Bulldogs fine field goal kicker, tried for one of his specials from the 21, but it went off to the left.

The Buffs took over at the 20, as the Herd went to work offensively. Moody got four on first down but got nothing on the next. Spencer Washington, who started at quarterback in the battle completed his first pass to Rusty Armentrout for 17 yards and a first down at the Herd 41.

Dennis scooted for six and then fumbled, but big George Allen was there to save the ball for the Buffs.

On a third and four at the WTSU 47, Washington fired a long bomb to Dennis at the Drake 15. Dennis had the ball in his hands only to loose it incomplete on a sure touchdown chance.

The two college independents then exchanged punts, one of which was a 63-yarder by Sarnowsky. Dennis moved the Herd for six yards in two rushes setting the ball at the Herd 15. Sarnowsky had buried the Buffs deep in their own territory on his 63-yard punt. Washington quickly got the Herd out of the hole when he hit halfback Ronnie Mankin for a 24 yard gain and a first down at the WTSU 39. With the 24-yard completion, Washington shot his season passing mark over the 1,000 yard figure.

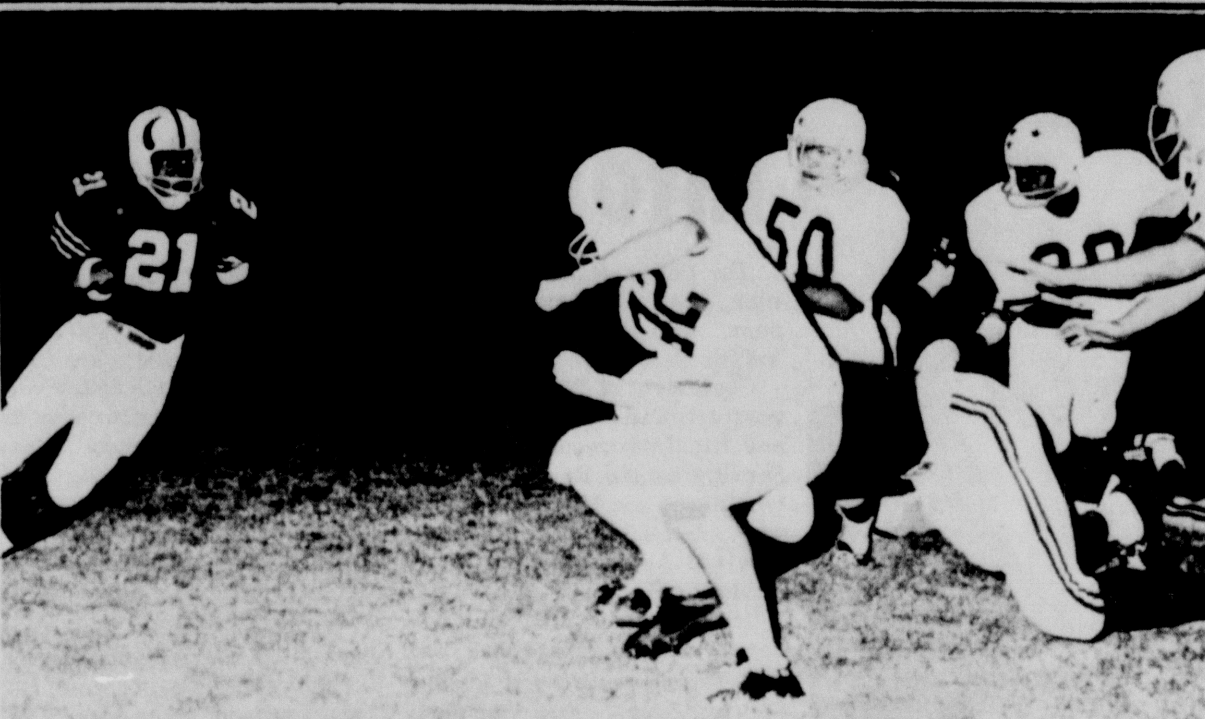

WTSU drove deep into Drake territory at the Bulldog 26 with the biggest gainer coming on a 12 yard pitchout run by Dennis. Freshmen kicker Tom Fambrough tried his first field goal as a varsity player but missed the boot of 42 yards.

Drake could do little after taking the ball at the Bulldog 20. Sarnowsky punted out of bounds at the WTSU five. With Johncour quarterbacking, the Buffs drove 95 yards in 12 plays for their first touchdown.

James Williams got 12 yards. Dennis picked up gains of four, seven, ten, three, and 34 on the scoring thrust. Dennis romped 34 yards for the score on a beautifully executed sweep of right end.

A good block at the Drake 20 set Dennis free, although the fleet halfback from Dallas barely stayed on his feet and actually, stumbled into the end zone. Mankin added the conversion making the count 7-0 in the Buffs' favor.

Late in the first half, WTSU almost had another tally. Armentrout caught an aerial from Johncour at the Bulldog five but then fumbled it to the Drake

spectacular runs of the season in the clash which saw the Buffs emerge victorious. The score was 20 to 14.

defenders.

Drake, apparently anxious to move the pigskin, did just that to open the final half. After taking the Buff kickoff, the Bulldogs marched from the 22 for the score that knotted the battle at 7-7. Tricky Bulldog quarterback Ron Royer led the Drake scoring drive.

Royer, who specializes in the option play, confused the Herd defense with his well called plays. Brown dashed for 14, then Royer kept for 17 and had the Bulldogs just inside the 50 in WTSU territory. Left halfback Tom Ripmaster did some line ripping, getting six, 12, and two yards on the scoring jaunt. Brown got the ball to paydirt from the WTSU eight but then fumbled. Offensive end Frank Orlando covered the ball for the Bulldog score. Sarnowsky tied the battle with a good conversion kick.

WTSU moved deep into Drake territory on its next possession only to have the Bulldogs pick-off a Johncour aerial at the Drake 10. Royer and company, then proceeded to roar 90 yards for the go-ahead tally. Royer scored from the one and Sarnowsky converted, giving Drake a 14-7 lead.

Dennis then thrilled the parti-

Guard Openings Announced

The local unit of the Texas National Guard has a few vacancies for non-prior service personnel due to recent reorganization of the 36th Infantry Division.

Lt. John D. Bryant, commander of the local unit, stated that he felt recruiting of non-prior service personnel would be sharply curtailed in the near future. He said now is the time for young men between the ages of 17 and 25 to begin fulfilling their military service obligation while living in their home town, attending college or working.

Young men who may be interested in enlisting in the Texas National Guard may contact Lt. Bryant or Sergeant Robert E. Valliant at the Armory located on East 4th Avenue, Canyon.

LCC Chorus Sings Here

A Cappella Chorus from Lubbock Christian College will present a musical program at Central Church of Christ in Canyon Sunday, November 14.

The program of hymns and spiritual songs will be presented at 7 p. m. following the regular evening worship services.

Joe Godfrey, a graduate of West Texas State University, directs the 48-member chorus. Singing with the chorus will be two Canyon students, Judy Rhodes, daughter of Mr. and Mrs. Jess Rhodes, and Gail McKinney, daughter of Mr. and Mrs. T. F. McKinney.

Lubbock Christian College is operated by members of the Churches of Christ and was begun in 1957. The college presently has an enrollment of 848.

Herman Alexander, pastor of the Central Church of Christ, extends a welcome to all interested persons to attend the special musical program at the local church.

PTA Meet Planned

"How to Prepare for the Space Age" will be the program topic of the first regular meeting of the Rex Reeves Parent-Teacher Association on Thursday, November 18.

Dr. Burl Brim will introduce the program which will feature a speaker from Nassau.

Christmas Seals Will Go Into Mails Tuesday

The Potter-Randall "Christmas Seal Campaign" begins soon, with mail-outs scheduled for November 16.

Chairmen of the drive this year are Don Standley, Canyon, and Rip Underwood, Amarillo. Serving as the Randall County committee are Mrs. Clyde Warwick, Dr. Leta Boswell, Mrs. Wayland Angel, and Mrs. R. A. Neblett.

"Seals can be used to decorate letters, packages and other correspondence during the holidays," said Standley. "The seals will be used by those interested in helping fight tuberculosis," Standley stated. Funds derived from the campaign will provide medication, rehabilitation, case finding and hospitalization for tuberculosis patients.

University Study Club of Canyon assisted with the job of stuffing envelopes for mail-out last Wednesday at the Standley home in Canyon.

Mrs. J. L. Scott, executive

director of the Randall-Potter Tuberculosis Association, notes that "over 60,000 active cases of tuberculosis are found in the United States every year and an unknown number have the active disease without knowing it."

"Tuberculosis and other respiratory diseases are closely associated," according to Mrs. Scott. "Respiratory disease is a group of sicknesses that affect breathing. Some are contagious, including the common cold, flu, pneumonia and acute bronchitis."

"Diseases of allergy are also connected with the respiratory system, including the chronic ones of asthma and hay fever which are reactions to specific irritants, usually plant pollens or dust," she explained. "Tuberculosis, once the nation's number one killer, is a respiratory disease caught from someone sick with TB. Caused by a germ, TB may hit many parts of the body, though most often it is the lungs."

"Tuberculosis is usually caught by breathing TB germs in the air or from the coughing, sneezing or spitting of a sick person. It is possible, however, to carry the germs into your mouth, on your fingers or food, or through close contact with someone who has the disease. TB is most prevalent among people with low resistance due to general poor health," stated Mrs. Scott.

"Shortness of breath or a nagging cough may be signs of respiratory diseases, but these may not appear in the early stages of TB. That is why it is very important to have a regular physical check up."

"TB should be treated in a hospital, because they have the

best up-to-date medical, nursing and surgical care. Hospitalization also cuts down on the chances that your family and friends may catch the disease. Changing climate won't help the TB patient because climate has nothing to do with TB", concludes Mrs. Scott.

Some 2,000 local TB associations are located throughout the United States and are affiliated with the state and national associations. Each year local associations mail Christmas seals to residents of the community, and 93 per cent of the money raised is spent in the state that raises it.

Christmas Seal contributions finance the work of the TB associations on the local, state and national levels.

200 Attend Math Meet

Some 200 persons attended the third math workshop held Monday evening at Rex Reeves Elementary School.

Herman Demus is general-instructor for the workshop sessions being sponsored by the Rex Reeves Parent-Teacher Association.

"Fractions in the Third Grade" were discussed by Mrs. Earline Moreman. "Beginning

Geometry in the First Grade" was the topic discussed by Mrs. Rex Reeves.

Following the general session, the group was dismissed for a coffee break, which was arranged by Mrs. Richmond Hales.

A film, "Geometry in Elementary," concluded the evening program.

Mrs. Cecile Weathers is shown here taking goodies from a steamer at Gene Howe Elementary School. Mrs. Weathers is in charge of the stainless steel, all-electric kitchen at the school.

Eighth Grade Eleven Loses

A huge fullback, with the build of a college football player, led the Hereford eighth grade past Canyon 60-16 last week.

Hereford's fullback, who

weighs 215 and stands 6-2, scored six touchdowns in the battle. Earlier in the season, Canyon tied Hereford 0-0 but at that time the fullback was playing with a slight injury which slowed him down.

Lamont Jenkins of Canyon raced 82 yards for one eighth grade tally, while the other score came on a 30-yard touchdown pass from Keith Keeling to Sandy Hair.

Coach Lowell Weaver's eighth grade finished the season with a 1-4-1 mark.

Canyon ninth grade footballers end their season today when they take on Plainview in Canyon at 6 p. m. Coach Wayne Phemister's chargers enter the game with a 2-4 record.

Coach Phemister expects a tough game against Plainview, as the coach watched them whip Tulla last week and feels they have a fine team.

Canyon Capers Host Guests

Canyon Capers, local square dance club, entertained a number of guests at their meeting Monday evening in the Junior Livestock Building.

Visiting from the Chiefs and Squaws Club were Glad and Betty Eads, Don and Marilyn Beck, Dan and Mary Helen Paige, and George and Matilda Goulde. The group invited Canyon couples to attend the annual "Indian Dance" to be held November 19 in Amarillo.

Other guests for the evening were Steve and Darlene Cole of Happy, Louise Knox of the Reddy Squares, Tommy Thompkins of Levis and Lace, and Doug Camp of Borger.

Clinics For Methodists

Several Canyon members of the First Methodist Church are expected to participate in the Amarillo District Children's Workers Clinic.

The clinic will be held November 16 at the Polk Street Methodist Church in Amarillo beginning at 9:30 a. m.

Local teachers and other church personnel are expected to attend the conference.

Three Scout Troops Rate Honor Award

Boy Scout Troops 66, 130, and 108 were awarded the Camporee Award of Merit and Honor at the conclusion of District Camporee at Camp Don Harrington Saturday.

Troop 66 is sponsored by the First Christian Church and has Lee Roy Moreland as scoutmaster.

Hollywood Baptist Church sponsors Troop 130. Harold Lovelady is scoutmaster of the troop.

Sponsored by the Rotary Club, Troop 108 has Newton Richardson as scoutmaster.

Some 90 scouts and 16 adults representing four troops took part in the week end camporee.

Camporee Award of Merit went to Troop 197, sponsored by the First Baptist Church. Dick Ziegler is scoutmaster

of the troop.

Events in the camporee included a stretcher race, string burning, signaling, physical fitness testing, rope toss, compass, Scout oath and law, chariot race and pancake cooking.

Troops were camped by patrols. A campfire program was held Friday night with each patrol presenting a stunt or skit.

Saturday morning each patrol campsite was inspected and judged. Campsite inspections counted for a possible 60 points while skills events accounted for a possible 40 points.

Troops that earned 85 or more points were eligible for the Camporee Award of Merit and Honor. Judges for the events were Oscar Hinger, O.W. Parker, Royce Cox, Mike Adams, Robert Brotherton, Bill Crossland and Ronnie Wooten.

DANNY DAVIS, son of Mr. and Mrs. Gene Davis of North Randall County, is shown receiving his two Canyon Longhorn trophies. In end of season voting by the Kids, Inc., football team, Danny was chosen to receive the top trophy, the Guts Award, as well as Sportsmanship Trophy. Congratulating him is Longhorn Coach Jon Low.

2 Buffaloes Received Valuable Player Award

Fleet halfback Donald "Preacher" Dennis and giant-size offensive tackle George Allen were named recipients of the Most Valuable Player awards for the Drake game, at the weekly Touchdown Club meeting on the West Texas State University last Monday.

Both men played big roles in the Herd comeback victory over the Drake Bulldogs last week. Dennis, a 185-pound speedster, was in the offensive spotlight throughout the battle with the huge Bulldogs. Although Big George Allen didn't get all the headlines, he also performed brilliantly. Allen played against an even bigger lineman then himself, blocked well, hustled and covered two fumbles, one by Dennis.

The "Preacher Man" thrilled the crowd of 11,000 fans with an electrifying 93 yard kickoff return in the fourth quarter of the Drake game. Dennis rushed for 132 yards, scored touchdowns from 93 and 34 yards, caught passes good for 53 yards. One of the pass receptions saved the victory for the Herd. At the time of the catch which went for 44 yards, the Buffs trailed

by a point.

Allen, a 6-7, 250-pound senior from Longview, Texas, has been one of the main offensive reasons for the Buffs fine showing through the first eight games of the 1965 season.

Allen said before the Drake game, that he planned to really clobber the man opposite him on the Bulldog team. He did just that against the Bulldogs Ben Mayes, a 275 pounder.

Coach Kerbel had praise for both of his star performers.

"Preacher's performance is the best individual showing of the season and may be the best in Buffalo history. Not only did Preacher do a tremendous job of running, but he also blocked especially well and caught the pass that saved the game," said the Coach.

"Allen did a very good job of blocking and showed fine aggressiveness in knocking the opponent back from the line" explained Coach Kerbel.

Allen and Dennis add to the glittering list of outstanding performers in WTSU's exciting 1965 squad.

Buff Meet Lamar Tech In Beaumont Saturday

The Buffs found the victory trail much sweeter than the losing side with their triumph over Drake 20-14 last Saturday and the Herd will be trying to make it two wins in a row when it tangles Lamar Tech at 7:30 p. m. Saturday in Beaumont.

Last Saturday's win over Drake insures the Herd of a winning season and makes its record 6-2 for the season. Victories in the last two games on the WTSU schedule would give the Buffs only their second regular season record of 8-2 or better since 1953. The 1962 Sun Bowl team is the only Buff squad to record an 8-2 or better regular season record since 1953 when the Herd went 9-1.

The Buffaloes enter the Lamar Tech game with a formidable running and proven passing attack. Tom Moody, who rushed for 58 yards in 13 tries last Saturday, is the top Herd rusher of the season with 221 yards gained. Dennis is quickly closing in on the fullback. He has rammed for 208 yards. Top receiver for the passing Buffs is Ted Wheeler. The 6-3 end has snared 28 passes for 276 yards. Wheeler set a new receiving mark against Memphis State when he broke the record of 23 set by Bill Cross in 1950.

Roy "Rusty" Armentrout is closing in on the top yardage figure for a receiver. Armentrout needs only 78 yards to break the yardage mark of 456,

also held by Cross.

Lamar Tech is probably the lightest team WTSU has faced so far in 1965. The Cardinals of Lamar boast a powerful running attack, a fair passing game, along with speed and quickness. Unlike the last two Herd opponents, the Cardinals don't have a real outstanding quarterback.

Phillip Primm, although a fine signal caller in his own right, doesn't quite compare with Ron Royer of Drake nor the sensational Billy Fletcher of Memphis State. Primm, 5-11, 170, will, however, pose a problem for the "Unfriendly Society", as he is a very capable passer and runner. The junior quarterback missed two of the Lamar Tech battles but still has managed 599 yards passing while completing 39 of 78 tosses for six touchdowns.

The Cardinal rushing game, which is as potent as any the Herd has faced, is led by massive fullback Thomas Smiley who stands 6-3 and weighs 235 pounds. Smiley has slammed through the enemy defensive line for 505 yards in 110 excursions with the pigskin. Tailback Harold LaFite and Smiley are tied in scoring with 32 points apiece.

Wingback Burnie Alderman, 5-11, 170-pound senior, with his pass receiving has played a big part in the Cardinals five victories in eight outings. Alderman has taken 17 aerial shots for 330 yards and three touchdowns. The Cardinals 6-2 end, Bill Kilgore, has hauled in 24 passes for 319 yards. Lamar Tech averages a light 205 on the offensive line while the backfield averages 185 pounds a back.

The Cardinals got back into the win column with a 33-3 easy victory over Trinity last Saturday. Lamar Tech entered that battle on the tail of back-to-back defeats by Texas A&M 6-14 and Southwestern Louisiana 6-20. Lamar Tech came out victorious in four of its first five games. East Central Oklahoma fell 15-14 in the opening game of the 1965 season. Other Cardinal triumphs came over Pensacola Navy 27-0, Arkansas State 20-7, and 28-18 over Abilene Christian College.

Defensively, the Cardinals have given up 252.3 yards of total offense per battle. The Lamar Tech defensive line averages 203 and is the lightest WTSU has faced.

Top performer on the solid Lamar Tech defense is Vernon McManus. The 6-foot, 210-pound senior linebacker is an All-America candidate. McManus has thrown the opposing ball carrier to the turf 20 times in eight games.

Scout Coach Clarence Dierking feels the Cardinals strongest facet is all-around speed and quickness.

"Lamar Tech has the best speed of any team we've played this year. Smiley is a powerful, deceptive runner and as good as any fullback to come up against the Buffs in 1965", said the defensive line and scout coach of the Herd. Coach Dierking added that the Cardinals

have the finest second unit fullback he's seen. The coach was speaking of 5-11 fullback Gene Washington, who has rammed for 260 yards in 42 carries. Washington dashed 85 yards for a score against Trinity last Saturday.

Lamar Tech and WTSU have tangled with two common opponents. The Cardinals won 33-3 over Trinity while the Herd stopped the San Antonio school 34-6.

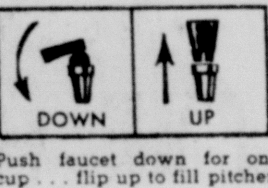

New Mexico State, which slipped past the Buffs 10-2 on homecoming two weeks ago, squeezed by Lamar Tech 21-20.

WTSU enters the game in fair physical shape. Defensive guard Marc Allen, the Buffs big lineman from San Antonio, may see some action but he is a doubtful starter. Fullback Brian Deady should be ready for action but valuable safetyman Steve Haterius will miss the battle.

Lamar Tech certainly will keep up the WTSU tradition of playing tough football schools. Other than Trinity, the Herd hasn't had a weak opponent this season. Game time from Cardinal Field in Beaumont is 7:30 p. m. and Buffalo fans can hear the fracas on KCNC radio 7:10 on the AM dial.

Now! '66 Chevelle Malibu by Chevrolet

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle. Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

Gene Howe Parent Teacher Association was organized at a meeting Monday evening Mrs. Stanley Baldrige was elected president of the group.

An open house will be held Sunday afternoon, November 14, at Gene Howe Elementary School. The public is invited to attend the event, which begins at 2:30 p. m.

Boy Scout, Troop 130, was visiting troop at the Randall County Camporee held at Camp Don Harrington November 5-6. The troop placed second in the camporee, exhibiting camping skills. Leaders attending were Jack Mathis and Bill Walker, assistant scoutmasters.

Scouts attending were Duane Harp, Dennis Stephenson, Ronnie Kestler, Richard Leonard, Mutt Pair, Jeff Pair, Edwin McBride, and Jerry Mathers.

Jeff Cates observed his ninth birthday Saturday.

Entertainment included football and other games with refreshments being served to Kelly Forehand, Brad Phillips, Mark McCutchen, Terry Hartline, Allen Beckley, Louie Webb, David Early and Lynn Williams.

Girl Scout, Troop 8, met Monday with Mrs. Patterson, leader, to finish painting ceramic dolls.

The troop will not meet on November 15.

Those present were Kay Smith, Yvonda Robinson, Toni Patterson, Debbie Fowler, Elizabeth Tucker and Sara Taylor.

Den mother Darlene Fink entertained Den 1, Pack 130, Tuesday as the group studied "magic words" and worked on achievements. Refreshments were furnished by David Clark.

Den 3, Pack 130 met Tuesday with Mrs. Henry Allen. The group is making displays and posters and collecting leaves. Bert Allen provided refreshments.

Jimmy Hartline, son of Mr. and Mrs. Ted Hartline, had eye surgery last week at St. Anthony's Hospital in Amarillo. He is home and reported to be doing fine.

Mr. and Mrs. James Lair and children, Matt, Phil, and Nancy, of Spearman were week end guests in the Tom Lair home.

Mr. and Mrs. W. H. Harden were in Lubbock during the week end to visit with their daughter's family, Dr. and Mrs. Ishmael Hill.

Eagles Turn In Good Game Even In Defeat

BY JON LAIR
Canyon's Eagles lost to the Perryton Rangers 20 to 8 Friday night but even in defeat turned in one of their better performances of the season.

The Eagles won in every department except on the scoreboard against the highly regarded Rangers of Perryton.

The Eagles gained 220 yards to a measly 159 for the Rangers. Canyon compiled 14 first downs compared with 11 for the winner.

The Eagles couldn't cash in on some key opportunities which could have easily given them their fourth win of the year. The victory gave the Rangers a 5-2-1 season mark and a 2-0-1 district mark. The Rangers journey to Dumas next week to take on the district leaders in the game that will either make or break the Rangers chances of staying in the district race.

The Eagles will host the highly regarded Muleshoe Mules in Canyon.

Canyon received the opening kickoff and took it to the fifteen yard line. Dennis Haley picked up six yards on two carries before the Eagles were penalized five yards for an off sides violation.

Joe Moore picked up three yards and then fumbled the ball giving it to the Rangers at the 19 yard line. The Rangers picked up little or nothing on two plays. Dennis Butler intercepted a pass and brought it back to the eighteen yard line.

Canyon wasn't able to move on four plays and has to kick to Rangers at the 48 yard line. The Eagles seemed to have it in for Gary Winter as they received a fifteen yard penalty for piling on him. The Rangers aided by this penalty moved toward the Canyon goal line but were stopped on a fumble by Kenneth Dieke.

The Eagles picked up a first down but were unable to mount a drive and therefore, had to give the ball up to the home team at the 33. The second interception of the night was destined to come as James Evans intercepted a Chris Byerly pass and brought it back to the 50. Just two plays later Tom Lair's pass was intercepted by Al Rupprecht and brought back to the Canyon 32.

The Rangers moved steadily down the field and scored on a

twelve yard run by Rupprecht. The conversion attempt failed leaving the Rangers a mere 6-0 advantage at this point. The Eagles mounted two more drives before the half, the later almost giving them a lead at the midpoint. This drive started when Tom Lair intercepted a pass and took it to the 15 yard line. On the following play Joe Moore ran for five yards. Following two critical passing failures, Wayne Brewer picked up

Stompers To Tilt NMU Frosh

The Freshmen footballers of West Texas State University conclude their three game schedule with a clash against the New Mexico University frosh at 1:30 p. m. New Mexico time Saturday in Albuquerque.

Charley Daves and his frosh Stompers will be going for their first victory of the season when they take on New Mexico. In the opening game of the Frosh schedule against the Air Force Junior Varsity, the Stompers fell victim to a powerful AFJV rushing attack. WTSU lost the battle 18-6 in Buffalo Bowl.

The Stompers last game was against Cameron Junior College, in Law on, Okla., Cameron Junior College walloped the Stompers in that one, 48-6. WTSU trailed by only eight points at halftime in the loss, but Cameron exploded for 34 points in the final half, to make the game a runaway.

Roy Winters, a 5-11, 165-pound signalcaller, has seen the most action at the quarterback spot. Gary Wheeler of Flora, Ill. and Wayne Sanchez of Houston have also seen quarterback action.

Top offensive performer so far has been halfback Curley Waters, who has done a consistently good job of rushing. Halfback Bruce Burton tallied the only score against the Air Force. Quarterback Winters fired 10 of 20 passing attempts on target for 171 yards against Cameron JC.

The WTSU-New Mexico Frosh battle shapes up as a big one for both teams, as both are looking for their first win of 1965.

the first down to the sevenyard line. Lair threw two passes in desperation, because of lack of time, to Bruce Winn and Dennis Haley both were in vain leaving the bewildered Rangers a 6-0 margin at the half.

The Rangers took the second half kickoff to the 25 yard line before being brought down by a wall of Eagles. The Rangers kept the Eagles bottled up in their own end of the field most of the third quarter.

It paid off for the Rangers as they got at the Canyon four on a fumbled snap. Dieke went over on the next play leaving the somewhat recuperated Rangers a 14-0 advantage.

The Eagles took the kickoff at the twenty as it went out of the end zone on the kick. Moore picked up 30 yards on the next two carries. Moore and Haley moved the ball to the two large-ly on a pass reception and a fifteen yard piling on penalty. Two plays later Lair went over from the one. The conversion was good for two on a pass from Lair to a fine receiver in Bruce Winn to narrow the Rangers lead to 14-8.

The Eagles mounted another drive which was stalled when a Tom Lair pass was dropped at about the 35 yard line. The Rangers moved into score from the place the Eagles had lost the ball, the five yard line, for a score which sealed the game for the Rangers.

The only injury of the game was suffered by Dennis Butler who is reported to be ready for the Muleshoe encounter.

The Eagles will play host to Muleshoe Friday night. Kickoff will be at 7:30 o'clock in Buffalo Bowl.

The Mules have a 5-4-4 season record so far, having lost to Hereford 42-20 last week. Canyon lost to the Herd 22-0 earlier in the season.

The Mules have won over Morton, Dimmitt, Floydada and Olton. The Mules play a ground game and lean heavily upon Ronnie Swint, a strapping 200-pound fullback, and Joe Adams, a fast halfback.

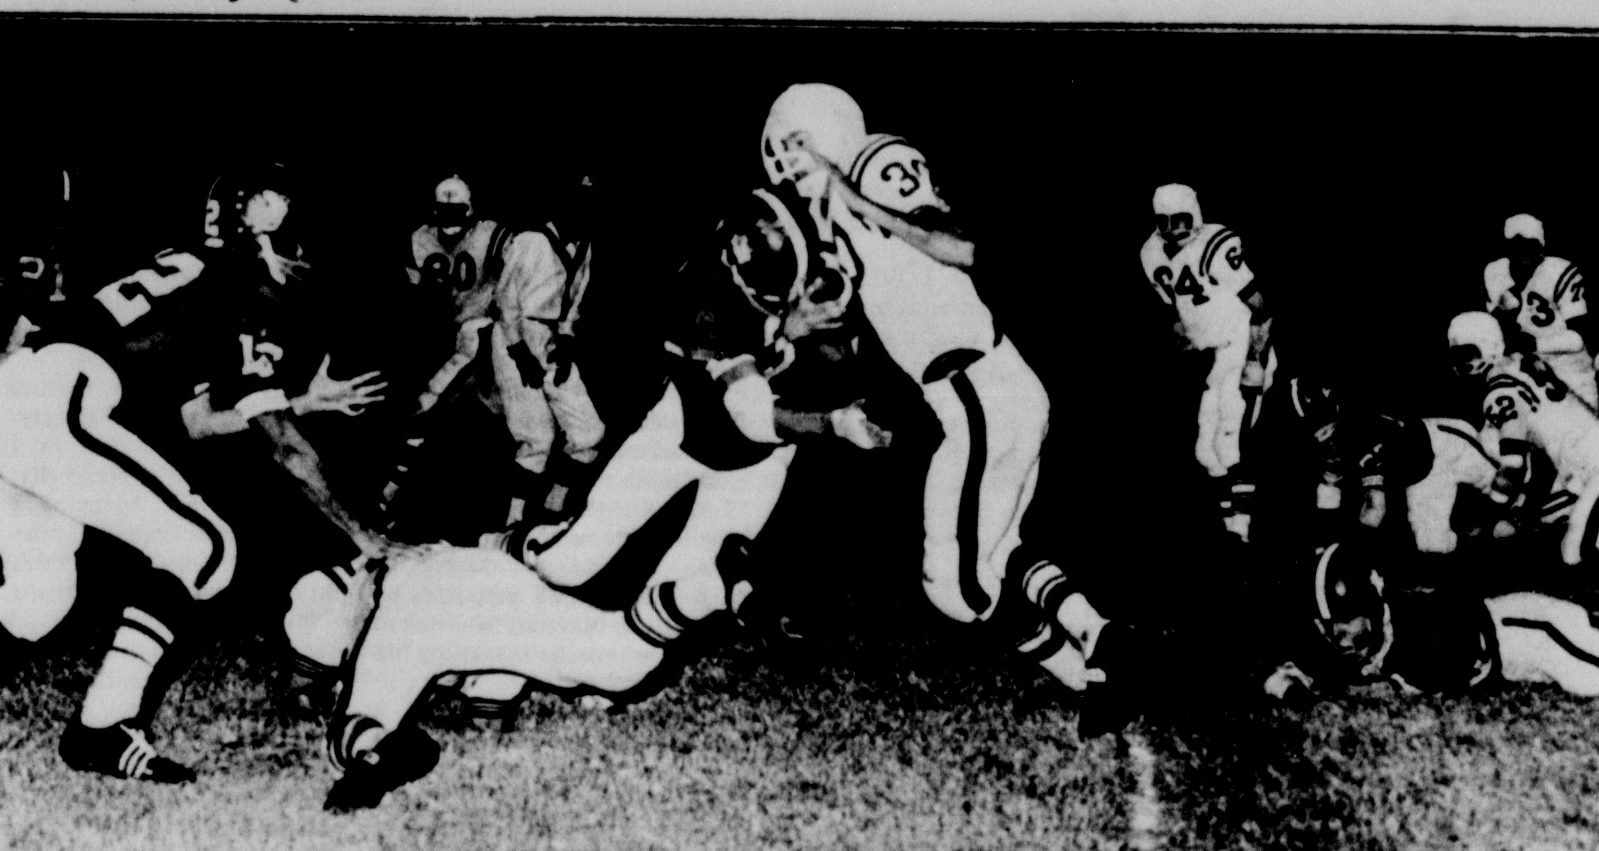

In other district play last week Dumas tripped past Tulsa 14-0.

Brownies Make Holiday Decor

Brownie Troop 18 made Swistraw coasters for Thanksgiving at a recent meeting under the leadership of Mrs. Burl Brim.

Supplies and ideas for the project were introduced by Mrs. D.J. Kievit of the Hobby House. Other program activities included games, songs, and calisthenics. Refreshments were served to the group by Cherie and Candace Holdeman.

Senior scouts Debbie Fassauer and Bea Thompson assisted at the meeting.

Wayne Brewer is shown here carrying the ball for Canyon in the clash with Perryton Friday night. Trying to put the stopper on Brewer is Kenneth Dieke. Other Canyon boys in the picture include Bruce Winn (80), Art McAnarney (64), James Evans (52) and David Rossi (73). Perryton boys in on the play include Al Rupprecht (12) and Micky McCoy (67). Canyon lost the game 22-8.

State President Visits VFW Auxiliary Friday

Mrs. Priscilla E. Webb, department president for the Texas Ladies Auxiliary to the Veterans of Foreign Wars, will be guest speaker for a called district meeting in Canyon Friday

MRS. PRISCILLA E. WEBB evening, November 12.

Mrs. Webb will speak to the group and will conduct inspection of Alta Davis of Hereford, District 13 president. Several auxiliaries from District 13 are expected to attend the meeting which is set for 7:30 p. m. in the VFW Hall, north of Canyon. Welcome address will be given by Mrs. Doretta Boehning, president of the Canyon Auxiliary. The business session will be under the leadership of Mrs. Davis.

Department president, Mrs.

Birdwell Wins Photo Certificate

Howard Birdwell has been announced as winner of a \$25 gift certificate from Canyon Drug in the recently judged "color photo contest".

Birdwell's winning photograph was of a watercrossing in Palo Duro Canyon.

Photographs entered in the contest will become property of the Canyon Chamber of Commerce, to be used on various literature advertising the area. All entries were in color.

Judges for the contest were members of a 35 mm. Camera Club in Amarillo.

Second place award went to Galen Eads, with a study of a yucca plant. Rock formations in Palo Duro Canyon won third place for Gilbert Wyllie.

Cubs Prepare Puppet Skit

Den 4, Pack 31, Cub Scouts met recently with Mrs. Lawrence Hunnicutt, leader, to make puppets for a Thanksgiving program.

The puppet show will be presented at the next pack meeting. Puppets of Indians and pilgrims were made by the group at the session. The skit will be presented as a requirement for the lion badge.

Cubs were appointed to assist with flag raising ceremonies at Rex Reeves Elementary School.

Four members of the group were guests of Den Chief Mike Branum at a meeting of Boy Scout Troop 31 Monday night.

Cubs present for the recent meeting were Larry Hunnicutt, Kenneth Wolfington, Ronnie Branum, John Boone, Steven Brock and David May.

Mrs. R. D. Killingworth and daughters Sherrie, Leslie and Kim, spent the week end at Randlett, Oklahoma, visiting with her parents, Mr. and Mrs. A. D. Mason.

Webb, is an active auxiliary member, having served in most offices on the local, district and state level. She has attended four national conventions and visited the VFW National Home in Michigan, where she holds a "life membership".

Since 1962, Mrs. Webb has served with the city of Monahans and Ward County Civil Defense organizations and has served as civic improvement chairman of the Monahans Chamber of Commerce. She is an officer of the board of directors of the Sandhills State Museum Association and has worked in official capacities with the American Red Cross.

The local VFW auxiliary will hostess a "coffee klutch" following the program. The assorted refreshments will include salads, holiday nutbreads and hot drinks, according to Mrs. Boehning.

Delegates to the Farm Bureau State convention will be named at 7:30 o'clock tonight at a Randall County Farm Bureau meeting.

The meeting will be held in the Farm Bureau Building. Presiding will be R. B. Gist Jr., president.

NEW VICE-PRESIDENT of Student Union Board is Carol Jo Owen, who was elected to the post Tuesday. She replaces Denny Paige, who resigned recently.

Chosen to replace Carol Jo as Special Events chairman was Judy Sandlin.

KGNC Gives New Consoles

Two RCA audio consoles have been given to West Texas State University by KGNC Radio and Television of Amarillo.

Bob Watson, general manager of KGNC-TV, presented the new equipment to the WT speech department last week.

One of the consoles will complete radio facilities of the college and will be used in conjunction with the record laboratory, according to Dr. Jack Walker, radio-television instructor. The record laboratory was donated by KGNC several years ago, he added.

Second piece of audio equipment will be used with the sound system of Branding Iron Theatre.

PHI DELTA THETA fraternity will hold its annual Mother's Spread Sunday.

Traditional switch of girl-asks-boy will be observed next week as students celebrate Sadie Hawkins Week Monday through Friday at West Texas State University.

Week will be highlighted by a Sadie Hawkins Dance, sponsored Friday by Zeta Tau Alpha sorority. Prizes will be awarded for best "Daisy Mae" and "Li'l Abner" costumes. Dance will be held from 7:30 - 11:30 p.m., with "The Cords" providing music.

Music, Drama? Choice Of Campus Leader

BY LINDA LOVE

"The decision between drama and music is a difficult one," commented Terry Milligan, West Texas State University head drum major and recently male lead in the WT production "The Fantasticks."

"But both departments are quite demanding here, so I had to make a choice," continued the Tulsa junior whose composition "March Sinfonia" was featured in the band's halftime performance last Saturday.

Milligan's diverse talents have led him into a constant potpourri of duties and activities which require more than a little dexterity to juggle them all.

He was forced to give up the WT stage band, in which he played saxophone the past two years, to play clarinet with the Amarillo Symphony Orchestra this year.

The orchestra was especially

active during Autumn Arts Fiesta this fall, when he was also rehearsing and performing the role of Matt here in "The Fantasticks." Included in the role were several demanding musical numbers.

Milligan nodded, admitting, "I sing a little too," a fact that can be attested by his audiences. In addition, during the music and drama activities he was filling his post in Student Senate, where he's serving his third year.

The past week has been a typically busy one for Milligan. Now in his second year as head drum major, he prepared the band for the Saturday debut of his march and at the same time commanded the Reserve Officer's Training Corps band in its practice for today's Veteran's Day ceremonies. As Band Commander he has a rank of second lieutenant in Advanced R.O.T.C.

Sunday he acted in his capacity as president of Phi Delta Theta social fraternity, serving as master of ceremonies in the annual presentation of fraternity pledges. His chapter responsibilities include care of recently appointed mascot "Phydeaux," a part-German Shepherd puppy.

"I recall Terry in his high school years as an actor," said William A. Moore, director of WT dramatic productions. "He's a very talented young man; as busy as he had been, he gave his best performance (of 'The Fantasticks') in the last show, Saturday afternoon."

Milligan was in a one-act play, "Case of the Crushed Petunias," his freshman year and played during freshman and sophomore years in Christmas Children's Theatre shows produced annually by Alpha Psi Omega, honorary dramatics fraternity. These included "Pinocchio" and "Sleeping Beauty," in which he portrayed Prince Charming. He hopes to do more acting.

"I enjoy doing children's theatre," commented Milligan. "It's harder to play, but I like the change."

In high school Terry, son of Mr. and Mrs. Gilbert Milligan of Tulsa, was a member of Theatricals Club, acting as president his senior year. He appeared in two contest plays, junior and senior class plays, and the Thespian plays his junior and senior years.

Earliest influence in Milligan's life had been toward music, however.

"When I was little, Mother would always turn on the old 'Bell Telephone Hour' on radio. It was like music appreciation time, and we'd all listen to it." It was evidently successful, because he directed his first band at the age of three. "It was a mariachi band," he laughed. "My father told them I was a musician. So they gave me a try, and I directed the band awhile."

No other outbursts of performing art came for some time, however. Milligan began

studying piano in the fourth grade and started band in fifth grade. He continued his piano training until last year.

As a high school freshman in Tulsa, where the family had moved from Uvalde in 1953, Milligan won a first division medal in the biennial piano contest at St. Louis. He presented the #2 Fantasia by Mozart in this nationwide competition.

"It was finally impossible to keep up equally with drama and music," he recalled "and I reached a point during my sophomore year in high school where I had to make a choice."

"It was a big decision, but I stayed in the band." He was in band throughout high school, serving as drum major three years, and was selected for All-State Band his senior year.

The music education major was also active in Future Teachers Association and was president of District 9 FTA part of his junior and his senior year, as well as president of his local chapter. Other activities included Librarian's Club.

Milligan's concert length "March Sinfonia" is his first composition. "I was working with some chord progressions on the piano this spring, and it was right there. I made the mistake of telling my clarinet teacher I was writing a march, so I was committed. It took me about two weeks to write the piano score and, with summer school and everything, about sixty more hours in all to work out parts and orchestration."

He hopes to continue composing and is currently working on another march and a choral number, "a slow type, written for mixed chorus."

With advanced R.O.T.C. training Milligan will be commissioned into the U. S. Army Reserve on graduation. He hopes to serve in the Adjutant General's Corp, which involves possible work with military base and local theatre and other performing arts.

Following his Army service he plans to do graduate study in music theory and composition at Indiana University. Honors include being named runner-up last year in "Best Dressed Man" contest.

In his occasional spare time he allows himself the "hobby" of enjoying the outdoors, taking walks with friends or going out to Palo Duro Canyon to relax. "That's what I miss most, I guess, about keeping up with these other things. But I suppose I wouldn't be happy otherwise."

As for music preference, he enjoys "just about anything but hillbilly. I like classics best, of course." His favorite composer is Bach; "It takes an intelligent person to listen to Bach."

"The idea of the big bands seems to be becoming popular again," Milligan noted. "There's a certain nostalgia connected with them. I don't think they'll ever reach the point of popularity they enjoyed during the late Thirties and the Forties, but they are coming back."

"I'm glad to see that. Groups like the Beatles are good for dancing, but . . ." He shook his head, ending the comment with a shrug and a smile.

Fun 'n' Folk

BY LINDA LOVE

Area television will have some new stars during the next week as members of West Texas State University Student Union Board appear on various shows to let people know about the Ford CARavan of Music show coming November 20.

This is one little package of entertainment which has certainly paid off for the Ford people, and rightly so, I suppose. By footing part of the bill themselves as public relations or whatever, they're able to get top entertainment from every performing field, then offer it to the public at prices that usually wouldn't begin to pay admission to one of the acts in regular concert.

We in this section of the country do not see as many of the long--and often, fancy--haireds that boys are sporting nowadays, and I must say I don't mind missing out a bit on that score. But there are some around, to be sure.

Heard about one so adorned young man the other day. He answered a lady who remained unimpressed with the length of his hair by explaining to her how wild the girls went over the longhair look.

I realize I'm mighty square, but in thinking of the WT students I know, there are certainly a lot of fellas who man-

Johnson Has New Position

Dr. Roland Johnson, professor of business education at West Texas State University, was recently elected 1965-66 president of the Texas Business Education Association.

Dr. Johnson was accompanied by three other business professors to the state TBEA convention in Corpus Christi.

Also attending were Betty Cox, instructor in business; and Willie McCall and Durwood Henderson, assistant professors of business.

age to be quite attractive and masculine -- even while looking well-groomed!

Well, they've done it again. Tuesday night a special called "This Proud Land: The Wild, Wild East" was scheduled opposite the "National Citizenship Test." Some time ago a network -- ABC, I believe -- suggested that some group such as the NAB act as a clearinghouse for specials, to prevent the inevitable pitting of one worthwhile special against another. Needless to say, nothing's come of it.

There are always protests following such an occurrence as this; wonder what'll happen now.

Speaking of the wild, wild East, they had quite a blowout the other night. Guess all the kids plugged in their electric guitars at the same time.

Math Lectures To Be Offered

Two lectures by a mathematical analyst in the computer science division of the Rand Corporation will be presented at West Texas State University Nov. 17, according to Dr. H. L. Cook, head of the mathematics department.

Dr. Mario Juncosa will speak at 4 p. m. and at a 7 p. m. dinner session. Both lectures are open to the public, but reservations for the dinner meeting, with tickets costing \$2 each, must be made before noon Monday.

The visit is sponsored by the mathematics department and the Society for Industrial and Applied Mathematics.

Dr. Juncosa will speak on "Numerical Analysis and My Work with the Rand Corporation" at 4 p. m. in the chemistry lecture room in the Science Building. His talk at the dinner meeting in the Gold Room of the East Dining Hall will be on "Linear Programming and Mathematics Models in Industry."

The speaker holds a Ph. D. from Cornell University, and he worked previously with Republic Aviation Corporation and the Ballistic Research Laboratories in Aberdeen, Maryland. He was a professor of mathematics at Cornell, John Hopkins University, the University of Southern California, and the University of California at Los Angeles.

Reservations for the dinner may be made through the Office of Public Services or the mathematics department.

Dr. Johnson Addresses Secretaries

Dr. Roland Johnson was guest speaker for a meeting of the Palo Duro Chapter of National Secretaries Association in Amarillo last Thursday evening.

"Improved Secretarial Procedures" was the topic of Johnson's address. Dr. Johnson is associate professor of business education at West Texas State University.

A FEW well-chosen words were spoken by "Dean Crossbow" during Wednesday's Student Union Board skit in the Faculty-Student Talent Show. The dean is portrayed by board vice-president Carol Jo Owen. Looking on is "Cage Parruth," played by board member Randy Hollums. Talent show was a part of Fun Day activities.

Business Workshop Set For Saturday

More than 100 high school and college business teachers are expected at West Texas State University Saturday for the seventh annual business education workshop.

Highlight of the day's sessions will be discussion of the new Vocational Office Education program through which high school business departments may receive financial assistance for equipment and student employment.

The conference will open with registration at 8:30 a.m. in the Fine Arts Building, with a general session at 9 a.m. in the auditorium. Speakers will be Victor Van Hook of Stillwater, Okla., state director of Vocational Office Education in Oklahoma, and Everett Fuller of Austin, Texas VOE director.

Luncheon speaker will be Dick Brooks, personnel manager of Southwestern Investment Company of Amarillo. He will speak on "What Business Expects from Business Students."

The conference is sponsored by the department of business education of the WTU School of Business. Members of Pi Omega Pi, national business education fraternity, will assist with registration. Coffee will be served at 10:30 a.m. by members of Phi Gamma Nu, national business sorority.

Wednesday evening was "student night" at the services and the Faith Chapel Youth Choir presented a special musical program. After the service, youth of the church and guests were entertained with fellowship, entertainment and refreshments.

"We are having an excellent revival and extend an invitation to all interested persons to attend the services," said Rev. Marcus Adair, Faith Chapel pastor.

Debaters Rate 10-14 At TCU

Four WT debate teams scored a total of ten wins and fourteen losses in competition at Texas Christian University Invitational Tournament last Friday and Saturday in Fort Worth.

Debaters representing 59 colleges from 15 states competed in the TCU tournament, which was "one of the toughest tournaments in the country," according to Gene Lewis, director of forensics.

WT's senior team, Tanya Benton of Amarillo and Randy Hollums of Floydada, won three and lost three debates. Two freshman teams, Robert Trapp of Perryton and Sammie Monroe of Pampa, and Stephen Busby of Amarillo and Laura Edler of Dalhart, each won two and lost four.

Bill Slagle of Amarillo debated three times with Linda Delano of Dalhart and three times with Sandra Markley of Amarillo. These combination freshman teams accumulated three wins and three losses.

Group's next contest will be the Texas A&M Invitational Tournament Dec. 3-4. This will be an "automated" tournament, with debate teams matched by using ratings obtained from a 1401 IBM computer, Lewis said.

After each debate round, the computer will be fed speaker points, team ratings and win-loss records for each team. Teams will then be matched on the basis of their computed "power."

Used successfully in California debate tournaments, this will be the first time the technique has been tried in Texas, added Lewis.

Dr. Carruth Attends State Dean's Meet

Dr. T. Paige Carruth, dean of student life at West Texas State University, attended the recent meeting of the Texas Association of Student Personnel Administrators at Texas A&M.

Dr. Carruth is secretary-treasurer of the organization. Topics discussed at the meet included student housing, traffic security, fraternities and sororities and student union operations.

Approximately 100 deans of men and deans of student life throughout Texas attended the three-day meet.

Daughter's Birth Is Announced

Mr. and Mrs. Richard Detten of Ponca City, Oklahoma, announce the birth of a daughter, Carol Ann.

Born October 23 at a Ponca City hospital, the baby weighed 7 pounds, 12 ounces.

The couple has three daughters and a son, including Kathryn, 7; Mark, 6; Mary Myles, 4; and Brenda Rae, 1.

Grandparents are Mr. and Mrs. M. A. Schultz of Ponca City, and Mr. and Mrs. Robert Detten of North Randall County.

The Robert Dettens have just returned from Ponca City, where they visited with their 27th grandchild.

WT Beauty

SUE MALANEY, Perryton junior, is executive secretary of Student Union Board. A business education major, she is the daughter of Mr. and Mrs. Dempsey E. Malaney and serves as rush chairman of Chi Omega sorority. Miss Malaney was a contestant last year in the Most Beautiful judging, and she is a member of Phi Gamma Nu, business sorority at WT.

Miss Gruner will be among Texas 4-H members representing the state at National 4-H Club Congress in Chicago, Illinois on November 28-December 2.

BOB GRUNER
Miss Gruner, 17-year-old daughter of Mr. and Mrs. Forrest Gruner, became eligible for the award by being named county winner in the program sponsored by the Atchison, Topeka and Santa Fe Railway System and then winning district and achieving a position in the blue ribbon group at state.
J. M. Patterson of the Santa Fe Railway in Amarillo presented the award to Miss Gruner following a short speech. A senior at Canyon High School, Miss Gruner has been active in 4-H Club work for eight years and has been a member of the Lucky Beavers and Westside 4-H Clubs where she has filled all offices.

SHARON ALLEN
County awards won by Miss Gruner include Bake Show Queen, 1963; Dress Revue winner, 1964-65; and Favorite Foods award, 1962. She has received both county and district awards in dairy foods and was a team member in electric demonstrations in 1963-64. She was also a member of the 1965 county and district winning team in cooperative demonstration and this was entered in state 4-H Roundup.
She exhibited the grand champion Hampshire breed swine at the county stock show in 1959. She was county Gold Star Girl in 1962 and was winner of the Talent Tour sponsored by Producers Grain Corporation in 1964.
She is a member of county and district councils, 1964-65. She attended 4-H Electric Camp the past three years, having been named county delegate the first year. She served as a staff member for Southwestern Public Service in 1964 and was district council member this year.
John Brazzil, county agent, and Mrs. Earl Reynolds of the 4-H Adult Leaders Organization were in charge of the awards program.
Eddie Henders, chairman of the 4-H Council, served as master of ceremonies for the evening.
Awards included the achievement awards, sponsored by Ford Motor Company. They went to Eddie Henders, Johnny Burrell, Mary Cummins, and Linda Hicks.
Agricultural award, sponsored by International Harvester Company, went to Mike Dudenhoeffer and Bob Gruner.
Standard Brands, Inc., sponsored the bread demonstration awards given to Karen Boehning, Mary Ann Boehning and Glenda Hollenstein.
Clothing awards, sponsored by Coates & Clark, Inc., were awarded to Jenna Thompson, Clara Waugh and Janice Benson.
Clifford Boehning and Sharon Henders were presented dairy awards, sponsored by Oliver Corporation. Dairy foods awards, sponsored by Carnation Company, went to Kathy Gist.

Tommy and Danny Vanover each chalked up a rushing touchdown while the other score came on a scoring bomb from Carter to David Lowe, which covered 35 yards.
The touchdown pass was the first for Canyon this season. It came on a fake dive and dropback pass, a play that had worked successfully against Hereford throughout the fracas.
Coach Davis commended the offense for a very fine job and added that the defense played its "usual good game".
"Our boys did a real good job and the offense made few mistakes against Hereford. We used 52 players in the game and ran several new plays", said coach Davis.
The seventh grade's first defensive unit went through the season without allowing a point. Plainview scored the only touchdown against Canyon and that came against the second defensive unit.
Coach Davis feels the seventh grade team could help the Canyon High School team in a few years "if all the boys can stay eligible and if the good competition between the players, continues".
Hereford fell to the seventh grade twice during the season. In the first game of the season, Canyon also shut out Hereford 24-0. Other wins came over Borger 20-0, Plainview 12-8, Tulla 24-0 and, of course, Hereford 30-0 last week.

badges. The yearly honor goes to seniors considered the most outstanding cadets in Advanced R.O.T.C., and those so designated graduate as Distinguished Military Graduates. They are eligible for commission in the Regular Army rather than U. S. Army Reserve.
Other men receiving the badges are Richard Bales of Tulla, Ross Black of McKinney, William Dowell of Hereford, John Eder of Corpus Christi, Randle Elms of Amarillo, Robert Finney of Plainview, Bruce Kimery of Dallas (WT brigadier commander), John Miller of Amarillo, Ronald Shepard of Amarillo, Russell Slough of Dimmitt, Edward Turner of Borger and Don Watson of Muleshoe.
The following cadets in the special Flight Training Program will be presented with qualification badges during the ceremonies: Eder, Finney, Watson, Gary Combs of Delhart, Donnie Graham of Plainview, Richard Rucker of Floydada, Gayle Singleton of Briscoe and Doyle Struman of Gruver.
Newly-elected five Cadet Corps Coed Sponsors will be introduced, also. They are Beverly Blaine, Plainview senior; Lamoyne Clark, Pampa sophomore; Donna DeBerry, Midland freshman; Susie Hughes, White Deer sophomore; and Shirley Oles, Claude junior.
From these sponsors will be elected Honorary Cadet Colonel and her staff, who will hold the rank of Hon. Cadet Lt. Colonel. All selections are made by vote of the entire corps, and the final honors will be bestowed at the annual Military Ball.

anticipated that the coming Paul Green show would be even better.
"But more than anything," stressed Gidden, "it shows enough faith in the community and the people putting it on. There will always be those who'll have to wait and see how it goes before they help; that's just human nature. But what gets things done is the real pioneering spirit that provides the 'go power'."
Various underwriting pledges are yet to be received, from those in other areas who have still to turn in pledges, and from other sources. Also coming are several memorials; as well as cash donations being made by private companies. Directors hope to continue to extend the financial interest in the production over wider areas as time passes.
Following the pattern established during this first season of the theatre, when 36,000 people visited the canyon to see the sound and light epic, "Texas" will also be presented by the Foundation with the co-operation of West Texas State University when it opens in the summer of 1966. People of the Panhandle have been working on development of the theatre and presentation of the Green production since the summer of 1960.
Green is the author of several famous historical plays presented with light, song, sound and dance in spectacular outdoor theatres throughout the country. He has been successful in transforming history back into life in the site where it took place, using all resources of modern theatre to bring this about. He has done more to develop the outdoor drama than any other person, and his plays include "The Lost Colony," "Common Glory," "Stephen Foster Story," and the recent "Cross and the Sword," celebrating the 400th anniversary of St. Augustine, Florida.
Green makes the following comment about the title of his production in a letter sent to the board:
"I have tried dozens and dozens of titles in my mind for our drama, and so have you and many others. None of them seem to cover the ingredients and pointed reach that will necessarily be in the play (but). . . one word does cover everything. . . 'Texas'.
"I know such a title sounds big and grabbing. Well, why not? You Panhandle folks are the first in that whole great state with vision and drive enough to want to celebrate the mighty Texas land and its people. The play actually will be, no matter what we call it, a dramatization of Texas life. . . "One thing that makes me feel it would be hard to overdo the sweep of the title is the fact of the sound and light display which we will be able to give the audience. They won't go away and say the show wasn't big enough for Texas, not after we have shot the works we'll have

words "happily turning to that mother-soil of musical inspiration--Folklore."
The Austrian artist will close with Beethoven's "Waldstein Sonata" in C Major, Opus 53. Demus comments, "People have always been deeply touched by the misty, cloudy atmosphere this Introduction conveys so irresistibly, been captivated by the moment when the heavenly light of the Final-theme pierces through, developing from a distant pianissimo to the most radiant fortissimo, that the name of 'Aurora' (Sunrise) has stayed with the work throughout all Latin countries."
Joerg Demus is known as "the complete artist," a term which refers, among other things, to his great versatility. He has a literary flair as well and has written a book of essays on music which was published by Brockhaus in 1963.
Like many fine artists, Demus' life seems to revolve primarily around his art, leaving little time for hobbies as such. He does, however, enjoy occasional excursions for relaxation and books -- especially those concerned with nature. And in line with these interests, he finds great satisfaction in planting and looking after his own garden.
With the first fees received for professional engagements he began a collection of keyboard instruments which now numbers 21. Of these his prize is a specially-built concert grand by Boesendorfer of ten feet in length. He is also a collector of Japanese woodblock prints, some of which are antique and of considerable value.
Once asked if he had suggestions concerning teaching music to children and developing in them a love of music, the artist observed that most children would have their ways of expressing love of music and would make their desires known to their elders.
His own musical impressions probably go back beyond recall. He does remember being taken by his mother to a performance of Haydn's "Creation" when he was three years old, and he listened with fascination. His desire to participate and make music for himself led to asking for piano lessons when he was six. This desire led in turn to his healthy musical development and ultimate career.
Demus feels this basic desire of children to learn music is most important: If talent and development is such as to lead to a career later in life, so be it. But love of music by the individual is all-important.
Joerg Demus' family background makes the artist's abilities quite logical. His father, Dr. Otto Demus, is an art historian, author and presently professor of the Office for Preservation of Monuments and Works of Art in the Austrian capital. His mother, Erika Demus, was before the birth of her sons a concert violinist well-known in Europe.
His brother, Dr. Klaus Demus, completes the portrait of a culturally-involved family. He earned his doctorate in art history and is presently an official of the Austrian gallery. As a writer, he is represented by a volume of poems published with great success, and as a musician he complements the family scene as a cellist.

The 64-member Canyon Band played an original fanfare by Frances McBeth, "Parade of Champions," "Yoder", "Sentry Boy" by John Cavacas, "Standard of St. George" by Kenneth J. Alford, "Bye Bye Blues" arranged by Cavacas, and "Slavonic Folk Suite" by Alfred Reed.
Judging for the division Canyon competed in were Frank Piersal of Iowa State; A. H. Long of Ponca City, Oklahoma; and Norvell Howell of Clovis, New Mexico.
Upcoming UIL contests for the band will include individual competitions in solo and ensemble in mid-March and a full band performance in concert and sightreading in April, according to Zook.
Three West Texas State University freshmen were fined \$200 each and placed on one year probation Wednesday after pleading guilty in county court to charges of malicious mischief.
Charged were David Bowen, 19 years old, Fort Worth; John Bost, Jr., 19, Brownfield; and Raymond Godeke, 17, Houston.
The boys were charged in connection with the Monday night bombing of a mailbox at WT Station post office located in the Student Union Building.
The boys admitted placing an explosive charge in a mailbox along with a sock filled with filth which was blown over the post office by the ensuing explosion.
WT security officer Bobby Hudson said the trio used a military M-80 explosive charge which is about two inches in length, an inch in diameter and equipped with a fuse.
Hudson said the bombing took place about 9:50 o'clock Monday night. The security officer was questioning Bowen and Godeke in a little more than an hour following the explosion. Subsequently the trio made a statement to officers.
Hudson said the charge was placed in a mailbox which had previously been used by a former roommate of one of the boys. The room mate checked out of school some time ago.
County Judge Lloyd King levied a fine of \$200 each against the boys and assessed each three months in jail. Upon recommendation of District Attorney George Dowlen, Judge King ordered the boys to pay half the fine and placed them on one year probation in lieu of the remainder of the sentence. Probation terms stipulated that restitution be made.

Top Talent, Low Price Meet In "Lively Ones"
"The Lively Ones" will swing into Canyon Saturday, November 20, to entertain in concert, featuring large folk group the Serendipity Singers, jazz pianist Earl "Fatha" Hines and his trio, and British comedy duo Hendra and Ullett.
The popular nine-member Serendipity Singers headline this "Folk and Jazz Wing Ding" of the Ford CARavan of Music. The 1965-66 season marks their second year in the successful nationwide tour designed to provide outstanding talent in one large package for a low admission price.
While most successful large vocal groups have been the creation of one professional entertainer or talent developer in particular, the Serendipities sprang from a group of students who formed a trio while attending the University of Colorado.
As their musical aspirations and following outgrew their size they added additional singer-instrumentalists and now boast a highly polished team of performers who exhibit much individual talent as well.
The enthusiastic and wholesome group of young people rose to national fame with their recording of "Don't Let the Rain Come Down" ("Crooked Little Man") and have gone on to play every type of appearance from state fairs to the White House. Upcoming activities include a good will tour for the U. S. State Department.
The seven boys and two girl who make up the Serendipity Singers hail mostly from Colorado and Texas. They maintain a variety of interests, bound together by an enjoyment of music and a continual sense of humor among themselves and in performance.
The Serendipities accent the humor in their act, which also encompasses standard folk.

Blood donated here will be credited to the Department of Defense. Red Cross officials explained that no whole bloods being sent to Viet Nam, but that there is a great need for the blood derivatives. In this manner WT donations will be sent to servicemen overseas and to their dependents, for whom the government assumes full obligation. It was also pointed out that boys returning from Viet Nam are treated in Veterans' Hospitals, 80 percent of which are served by Red Cross.
Red Cross representatives commented that its bloodmobile service is controlled by National Institute of Health to assure maintenance of certain standards. Wichita region blood bank draws approximately 52,000 pints of blood per year, they said.
Blood donors will receive identification cards later by mail, giving health information such as blood type. They will also have a blood entitlement card effective for a year.
There will be twelve nurses and eighteen tables in the Formal Lounge of the Student Union Building to draw blood from 10 a. m. until 4:15 p. m. Thursday and 8 a. m. until 2:30 p. m. Friday.
A local doctor will be on duty in the Lounge at all times. Two bloodmobile units, with four drivers, will be available. The first unit will drive the first day's donated blood, packed in ice, back to Wichita arriving by midnight Thursday.
Donors under the age of 21 must have parents' written consent. Yellow permit cards may be picked up from fraternities or others helping with the drive and be sent to parents for their signatures. Finney added that any student who feels he hasn't time to complete this procedure might have his parent write a letter including permission.
Those appearing to donate blood will go through a clerical line first to have medical information typed up. Donors must weigh at least 110 pounds and have a fat-free diet for the four hours previous to arrival at the bloodmobile.
Canteen will be set up to provide orange juice and food for students following donation. Whole process, from arrival until departure, should take 45 minutes to one hour per person. Red Cross hopes to take care of fifteen persons every fifteen minutes.
"There is a mountainous need for volunteers," said the chief nurse. Six typists will be required, in addition to boys and girls needed to work in the canteen. Plans are being made for fraternities and sororities to keep these staffed continually, but additional volunteers are being sought.
Director Williams assured participants in the drive that the giving of a pint of blood was the approximate equivalent in loss of energy to playing nine holes of golf or cheering hard at a ballgame.
Those who wish to donate blood through this WT program are being asked to sign up for a specific time period to insure smooth and orderly progress in the program.

Golden Anniversary Observed By Barclays

The fiftieth wedding anniversary of Mr. and Mrs. Ralph Barclay was observed Sunday with a reception at the home of their daughter, 1102 Ninth Avenue.

Long time residents of the Canyon area, the couple came to Texas from Oklahoma some 23 years ago. Until his retirement, Mr. Barclay was a farmer in the community. The couple are active in the Church of Christ of Canyon.

Sunday's reception was held from 2 until 5 p. m. in the home of the couple's daughter, Mr. and Mrs. Roger Dugan.

Some 115 guests were registered at the affair by the couple's granddaughter, Ivey Dugan. Granddaughters, Mrs. Larry D. Barclay of Dumas,

Mrs. Ronald Reaser of Stockton, California, and Mrs. H. C. Montgomery of Amarillo, presided at the refreshment table.

A spray arrangement of gold gladioli and bronze mums centered the refreshment table which was laid with a gold cloth with overlay of gold net. Appointments of crystal and silver completed the arrangement.

Bridal pair encircled with a net heart and crested with gold foil leaves and numerals of 50 decorated the top tier of the anniversary cake.

Co-hosts for the occasion were the couple's sons, Louis Barclay of San Francisco, California, Ray Barclay of Vega, and Gene Barclay of Ama-

rillo and their families.

Among out of town guests present were Mr. Barclay's brother, Mr. and Mrs. Jim Barclay of Fort Worth, and his sister, Mr. and Mrs. Philip Rainey of Erick, Oklahoma. Also present were Mrs. Barclay's brother, Mr. and Mrs. J. O. Yell of Erick, Oklahoma, and her sister, Opal Stanford of Oklahoma City, Oklahoma.

Other out of town guests were Mr. and Mrs. Floyd Rainey of Elk City, Oklahoma; Mr. and Mrs. Tom Barclay of Vega; Mr. and Mrs. Marion Kinsey and daughters of Bushland; Mr. and Mrs. Jay Yell and daughters of Amarillo; Mr. and Mrs. J. R. Yell of Dumas; and Mr. and Mrs. Nelson Knox of Oak Dale, California.

Ceremony Unites Fleming-Elms

DeRenda Rene Fleming became the bride of Randle David Elms in nuptial ceremonies performed October 23.

The bride is the daughter of Mrs. Don M. Exline and Louis Fleming of Amarillo. The bridegroom's parents are Mr. and Mrs. Randle Elms of Iowa Park.

First Assembly of God Church in Amarillo was the scene of the wedding, which was performed by Rev. E. R. Foster, pastor.

The sanctuary was aglow with cathedral tapers with a background of emerald palm branches, and the ceremony area was centered with white tea gladioli spikes, snow ball mums and a sunburst center of roses. Family section was marked with colonial pedestals supporting white cherubs. An arch of candlelight in the windows completed the sanctuary decor.

Given in marriage by her father, the bride wore a gown of French imported hand clipped Chantilly lace and her cathedral train of matching lace was carried by Robby and Earl Smiddy. The bride carried a peacock designed of white cattleya

orchids and an elongated spread of stephanotis festooned with maline and pekee satin.

A reception honoring the couple was held in the church hall. The bride's table was draped in white satin and featured clusters of white blossom garlands and tiny table lights edging the table. Identical cakes on revolving round tables flanked the bridal table.

After a wedding trip to points in New Mexico, the couple will make their home in Amarillo. The bride graduated from Palo Duro High School in Amarillo and the bridegroom is a senior student at West Texas State University.

Kerosene Lamp Hobby Is Holiday Gift Idea

BY LORENA MILLER
Painted Kerosene lamps are a creative hobby for Mrs. Ray Fullerton of 508 Ninth Avenue.

Mrs. Fullerton has painted some 30 or more of the lamps and decorated them with various flowers, grape clusters and greenery as gifts for friends and neighbors.

"The paint itself crackles when dry to form a design," commented Mrs. Fullerton. "When you get a bad start you can just wash off this paint with soap and water and start again."

"One thing you can't do with Glamour Coat paint is to reapply to missed spots so you have to be careful when giving the lamps the first coat," related Mrs. Fullerton.

"Arthritis has shaped my hands to hold a paintbrush perfectly," she said. "I used to make little wrought iron plaques until they wore my husband out. He had the job of shaping the edges in the form of a frame, then I attached cotton bolls, okra pods and other dried fruits of natural beauty."

"I first saw the decorated kerosene lamps at a friend's house and thought they were so complimentary to the home," said Mrs. Fullerton. "I have only worked with the lamps for about two months now and have painted and decorated about 30."

"My lamps are scattered from Tulia, Happy, Amarillo, Panhandle and Canyon since I have given them to friends and children in other towns," related Mrs. Fullerton.

"Painting the lamps gives me a sense of pleasure and as a hobby gives me a great deal of satisfaction to be able to do things with my hands," Mrs. Fullerton said mentioning some 40 years of arthritic problems. "I like to keep busy and do watch some television programs but don't keep the television on just to have noise around me," Mrs. Fullerton smiled.

Proceeds will be used among funds being collected for a new Masonic Building to be located near the high school.

KEROSENE LAMPS may become a decorative part of the modern household according to Mrs. Ray Fullerton who has painted and decorated some 30 lamps within the past two months.

Artificial flowers, fruits, and greenery are used to decorate the painted lamps by Mrs. Fullerton who commented that "this hobby provides a sense of satisfaction".

WASHING DISHES is a pastime of many Canyon housewives, as demonstrated by Mrs. Charles Wagner, who shares recipes for Sour Cream Cake and Chocolate Coffee Cake with our readers this week. Completing the recipe trio is a Chocolate Frosting suitable to top either cake.

COOK OF THE WEEK Shares Chocolate Cakes

BY LORENA MILLER

Two cake recipes are shared with our readers this week by Mrs. Charles Wagner of 2611 Second Avenue. Mrs. Wagner gives recipes for Sour Cream Cake and Chocolate Coffee Cake.

Mrs. Wagner, the former Lois Jean Lovelace, was born at Perryton and is the daughter of Mrs. and Mrs. George Lovelace of Groom. She has a married sister, Doris Ann Lovelace, at Ponca City, Oklahoma, and a brother, George David, Jr., and sister, Susan Kay, still at home.

On June 15, 1963, Miss Lovelace became the bride of Charles Wagner in ceremonies at Canyon. Charles is the son of Rev. and Mrs. Carl Wagner of Canyon. Rev. Wagner is pastor of the Pentecostal Holiness Church, which he has served some 8 years.

Wagner's family includes two sisters, Mrs. William R. Glenn, of Canyon, and Wanda Joyce Wagner, a freshman at Canyon High School.

The Charles Wagners are members of the Assembly of God Church in Canyon. The couple has spent three years in Canyon and have one daughter, Dena Kay, 10 1/2 months old.

A graduate of Canyon High School, Wagner is employed with Bellah's Super Market. Mrs. Wagner graduated from Groom High School where she "enjoyed home economics" and attained the junior degree in the Future Homemakers of America.

"My favorite hobbies are em-

broidery work and sewing," commented Mrs. Wagner. She stated that her husband's favorite pastimes are sports of all types, including baseball, football and golfing.

The family's favorite recipes follow:

County Named DSA Winner At Odessa

Randall County Historical Society was named to receive a Distinguished Service Award for service to the county and state at a recent convention of the Texas State Historical Survey Committee in Odessa.

Mrs. T. B. McCarter, county chairman, accepted the award at the annual RAMPS banquet held in the Lincoln Hotel ballroom.

Beeman Fisher of Fort Worth was main speaker for the RAMPS dinner, where the DSA presentation was made to a number of outstanding counties including Randall.

Several outstanding Texans were honored at the event, including Mrs. Lyndon B. Johnson, who was recognized for her service to historic preservation.

"See and Save Texas History" was the theme for the annual convention attended by Mr. and Mrs. McCarter October 28-31.

"The red carpet was laid out for the Distinguished Service Award winners from some 12-14 Texas counties," commented Mrs. McCarter. "Chairmen and those attending from the counties were given the royal treatment throughout the convention."

Brochures on Randall County industry and attractions were displayed at the opening session of the convention. The 300 pieces of literature were all taken by interested persons, according to Mrs. McCarter.

The Randall County scrapbook, compiled by Mrs. Emilio Caballero, was also on display at the opening program of the

Pioneerettes 4-H Have Muffin Bake

Pioneerettes 4-H Club met last Friday at the Farm Bureau Building to prepare muffins under the leadership of Mrs. Cristler Crain.

The group prepared plain muffins, blueberry muffins and red plum muffins at the meeting. Those present were Connie Pitt, Terry Jo Reynolds and Rhonda Jo Hales.

The Tommy Lairs and son Stanley visited Friday evening in the James Lair home at Spearman and then attended the Perryton - Canyon football game.

session.

Randall County was among some 38 counties to participate in the "Quota Busters Club", for having raised a minimum of \$200 for the Texas Historical Foundation.

Mrs. McCarter and her husband attended the dinner hosted for DSA winners, the annual membership meeting of the foundation, county chairmen's breakfast, Quota Busters breakfast, RAMPS business meeting and other convention functions.

Convention programs attended by Mrs. McCarter were "Historical Marking", directed by Charles R. Woodburn of Amarillo; and "Preservation and Restoration of Historic Buildings and Sites", directed by Edward H. Harte of Corpus Christi.

Local sites which may be recorded with historical medalion plates include the old Lester home, the T-Anchor Ranch headquarters, and Brittain Studio, according to Mrs. McCarter. Two other historic sites which have been torn down may be commemorated with historic markers. These are the old Home Canyon and the Foster home.

Pioneers 4-H Election Held

Kathy Gist was elected as president of the Pioneer 4-H Club in a recent meeting in the Farm Bureau Building.

Other officers elected at the mid-October session were Yvonne Dooley, vice president; Martha Sykes, secretary; Cindy Kuhlman, reporter; Marsha Hager, treasurer; and Sharon Henders, historian.

First meeting of the group was held at the Louis G. Henders home as members discussed a menu and prepared food for a barbecue.

The Pioneer 4-H Club met last Thursday evening at the Farm Bureau Building to discuss nutrition and menus and prepare a frozen dinner. The group sent the meal to Mrs. Ocoee Holt, following her injury of a few weeks ago.

Following the meeting the group played outdoor games. Those present were Kathy Gist, Sharon Henders, Martha Hager, Yvonne Dooley, Cindy Kuhlman and Martha Sykes.

Congressman Walter Rogers of the 18th Congressional District will be guest of honor at an Amarillo appreciation dinner Saturday evening, November 13.

Sponsored by District 1 of the Texas Farmers Union, the dinner will be held at Tascosa High School in Amarillo at 6:30 p. m.

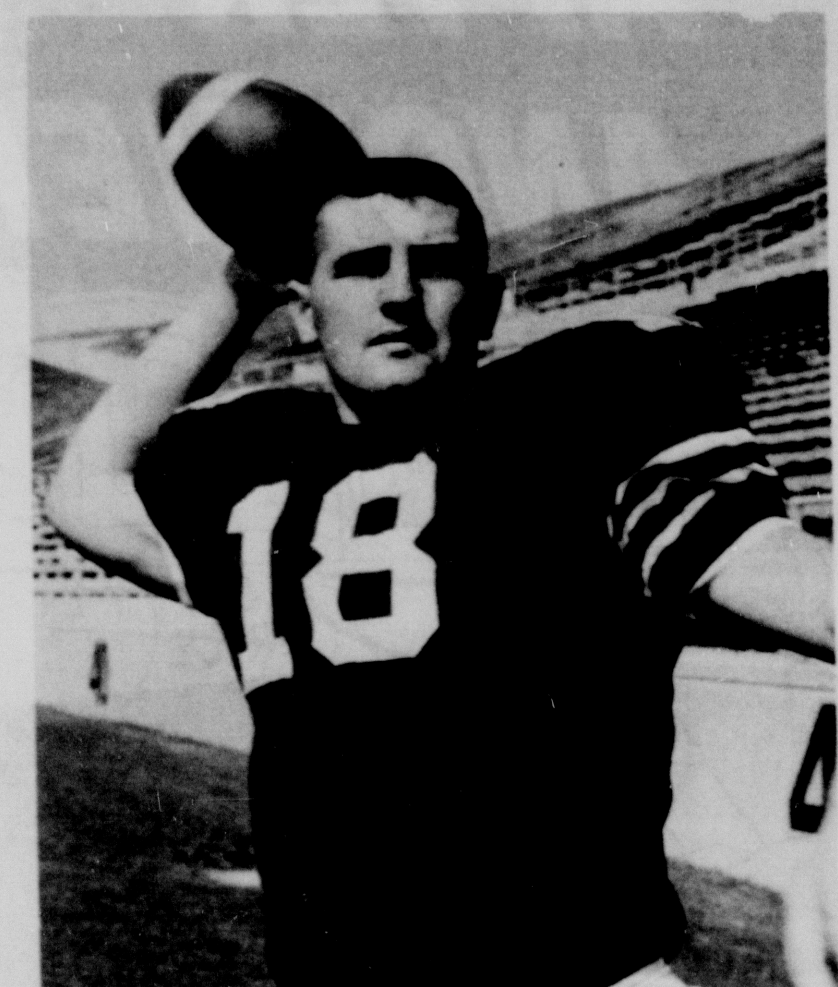

Tickets are \$2.50 and may be purchased from Farmers Union members in District 1 or by contacting Mrs. Leroy Lamb, secretary-treasurer of Randall County Farmers Union.

Amarillo Mayor F. V. Wallace will extend the welcome at the dinner. Several farmers and businessmen will make remarks to the congressman at the event.

Mrs. V. B. Hubbard has returned from Brownfield, where she visited several weeks with her daughter, Mrs. V. J. McDonald, and family. Mrs. Hubbard's grandson, David McDonald, returned to Canyon for a short visit.

ATO Pledge Jess Sheets

Jess Sheets of Canyon has been listed as a fall pledge of Alpha Tau Omega, men's social fraternity at West Texas State University.

Sheets was among some 55 men who pledged men's fraternities during the two-week formal rush held recently.

Chief's Show Scouts Attend

Chief Proud Eagle's television show was attended by a group of Canyon Girl Scouts from Troop No. 17 last Thursday.

Those attending were Kellie Wright, Edna Bayless, Susan Lindsey, Stacie Wright, Brenda Oliver, Robbie and Serena Morris, Carole Morse, Jane Cross, Tina Mainville, Beth Maynard, Sherrie and Karen Albers, Winnie Johnson, Sherrie Reckling, Rita Griffin, Susan LaGrone, Kathy Nitenagle, Jill Ellimwood, Lisa Estes, Celeste Sutton and Marsha Patton.

Others attending were leaders, Mrs. Wright, Mrs. Albers, Mrs. Reckling and Mrs. Lindsey. Also present were Danny Reckling and Billy and Terry Mayfield.

Next meeting for the group will be a series of bowling lessons at Canyon Bowl with Lynn Crabtree as instructor.

Scholarship For McManigal

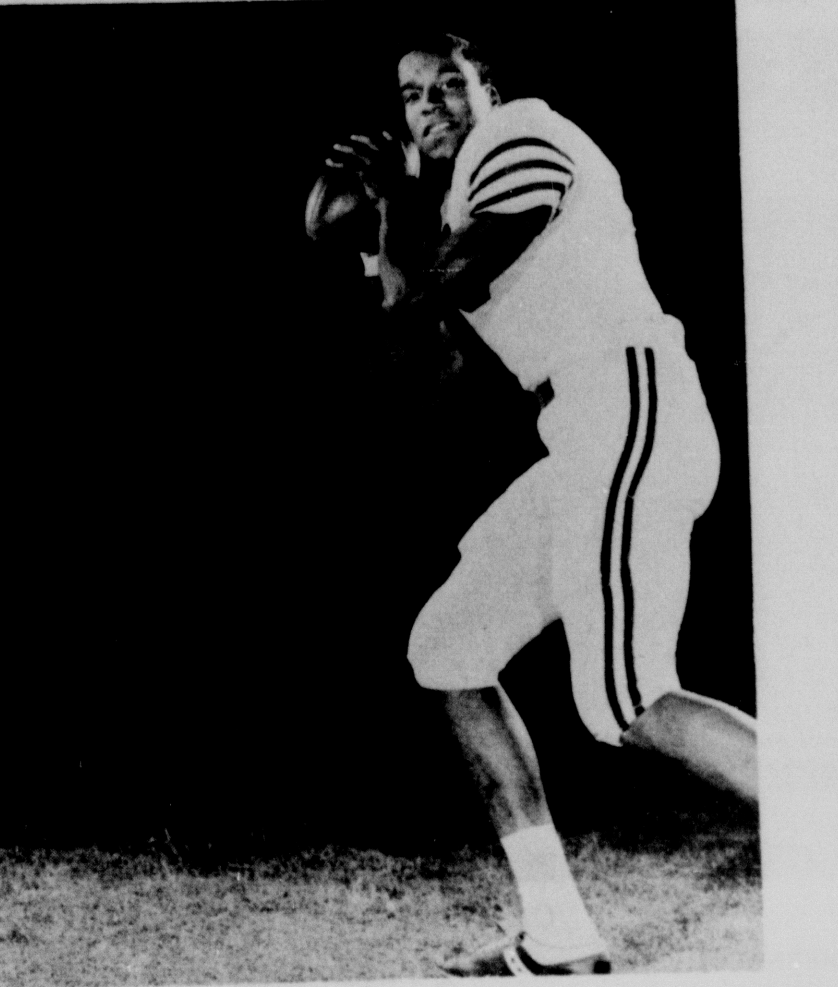

James C. McManigal, Texas Tech freshman from Happy, has been awarded a Sears Roebuck Foundation Scholarship of \$300.

McManigal is enrolled in agriculture in the School of Agriculture at Texas Tech. He is the son of Mr. and Mrs. Morlan McManigal of Happy.

Some 13 Tech students received the Foundation Scholarships designed to aid young men and women from rural areas.

Longhorns Split Post-Season Game

Canyon Longhorns won a practice game 30-6 and tied 6-6 in a post-season game last week.

Post-season game was played Saturday morning at Canyon High School football field. The Longhorns led Eastridge 6-0 until the final play of the game, when several Canyon and Eastridge players went up for an Eastridge pass and one visitor managed to come down with it, remain standing and complete the 10-yard touchdown play. Try for two points failed.

Longhorns' score came in the second quarter on a 17-yard right sweep by Ricky Edmondson. Mike Shadix's pass attempt for extra points was incomplete.

Canyon remained ahead on first downs, holding ten to the visitors' five at the close of the game. The Longhorns showed defense throughout the game, according to Coach Jon Low.

Eastridge intercepted one Canyon pass, and the home team recovered two Eastridge fumbles. Credited with these Canyon defense plays were Chuck Wright and John Uphaw. Mickey Comer fell on his own team's fumble.

Cuts Award of the game went to Ricky Edmondson, praised by the coach for his hard running throughout the game and his aggressive tackling as defensive left end.

Edmondson, Danny Davis and Sam Kerbel were mentioned as the three players who carried out assignments best.

Canyon had met Belmar Friday in a practice game, in which each team retained the ball for ten plays.

Score was 30-6 for Canyon, with the five touchdowns coming on a 10-yard run by Edmondson; 5-yard run by Wright; 50-yard pass play from Shadix to Desley Alt Miller; 20-yard Shadix-to-John Hoover pass; and a run by Hoover of approximately 40 yards. Sole Belmar score resulted from a 60-yard pass play from quarterback Ross Cheshire to end David Cobb.

Longhorn All-Stars will play in the Toy Bowl Sunday afternoon in Benson Park of Amarillo. Admission to the charity event, which closes the annual Kids, Inc., football season, is a toy or a bar of soap. The latter is part of a "Soap for Vietnam" project, while toys will go to U. S. Marine Corps' Christmas program of "Toys for Tots."

Low is coach of one of the All-Star teams, which includes Longhorn players Edmondson, Shadix, Kerbel, Donnie Minier, Comer, Hoover and Davis. Canyon player John Uphaw has also been practicing with the All-Star team to provide two full units for scrimmage.

Comedy Duo Coming

FRESH, clever, with a sense of style -- these terms have been used to describe the comedy of British duo Hendra and Ullett, who will appear here with the Ford CARavan of Music November 20. Both Cambridge graduates, Nic Ullett and Tony Hendra cover a wide area in their comedy and satire, which might include anything from a routine about foreign air lines to poems by Shakespeare and Wordsworth, set to rock 'n' roll. Team has appeared in the United States on such television shows as New Christy Minstrels' 1964 World's Fair special and the "Tonight" show.

Walker Heads Honor Society

Bill Walker, Canyon sophomore, was elected president of Mary E. Hudspeth Honor Society's freshman and sophomore group at a recent session.

Other new officers, all sophomores, are Kittie Harris of Van Nuys, California, vice president; Bonnie Ellen Rodgers of Clarendon, secretary; and Cathie Harris of Van Nuys, California, reporter.

Five sophomore honor students were initiated into the society during the meeting, including Mary Ann Wheelock of Canyon, Marjorie Earles of Haskell, Steve Dutton and Sherry Miller of Amarillo, and Dana Taylor of Pampa.

Initiates must have earned a 2.5 grade average for the semester preceding their initiation.

Scouts Hold Turkey Shoot

Turkey shoot will be held Saturday at the VFW Hall by Boy Scout Troop 108.

The shoot is scheduled for 10 a. m. - 6 p. m., according to Mike Adams, assistant scoutmaster.

Contestants will shoot until they miss, with ten persons participating in each round. Clay pigeons will be used as targets. Winners will choose between prizes of turkeys or hams.

Entry price is \$1 per round. Scouts will furnish all guns and shells, although entrants may bring their own guns if they prefer.

Proceeds from the turkey shoot will be used in regular troop projects.

Party Honors Miss Downing's 3rd Birthday

Scarlett Downing observed her third birthday last Thursday evening with cake and ice cream at the home of her grandparents, Mr. and Mrs. Bill Downing.

Those present for the occasion were Scarlett's parents, Mr. and Mrs. Jerry Downing; a brother, Shane Downing; an uncle, Steven Downing; cousins, April and Melissa Jones; and Carole Hillier.

Funeral Rites Conducted For '65 Graduate

Martha Kay Godin Cotner, 23, a 1965 graduate of West Texas State University, died Monday of last week of an apparent heart attack in her home in Gallup, New Mexico.

Funeral services were held Thursday at Wesley Methodist Church of Borger with Rev. Lyman Wood, pastor of the First Methodist Church of Shamrock, officiating. Assisting was Rev. Hugh Blalock of the Borger church. Burial followed in Sunset Memorial Park in Stinnett.

Mrs. Cotner and her husband, Joe Don both graduated from WTSU last May. She had been with the Gallup School System as a speech therapist for the past three months.

Besides her husband she is survived by her parents, Mr. and Mrs. Jim Godin of Borger; two brothers, Pat, a student at Texas Tech, and Mike, a student at Texas A&M; and grandparents, Mr. and Mrs. Ralph McMillan of Mesa, Arizona, and Mrs. Ethel Godin of Topeka, Kansas.

Taylor's Buy Tulia Store

Taylor & Sons of Canyon has contracted for the purchase of Littlejohn Brothers Food in Tulia.

The local firm plans to take over operations by mid-November.

The Taylors have been especially active in business circles since World War II, when they opened a food store north of Canyon on Highway 87.

Later the concern built a brick building on Highway 87 in the south part of Canyon. The concern also has food stores located in Hereford and Dimmitt.

MAILING PACKAGES early to avoid the Christmas holiday rush Paul Summers, right, Ross Russell, postal employee, is getting ready for the holiday overload of mail which will start piling up in a few weeks.

Observe Early Mail Deadlines For Prompt Holiday Deliveries

Christmas holiday mail brings an increase in the parcels and post packages handled by local postal employees.

Christmas parcels going by surface transportation to members of the Armed Forces overseas should have been mailed by Wednesday according to an announcement by postmaster Marion Higdon.

Air-mail parcels going overseas should be mailed between December 1-10 and greeting cards for Armed Forces overseas should be mailed within the designated time for parcels if they are to be delivered prior to Christmas.

The term "Armed Forces overseas" includes personnel of the Armed Forces, members of their families and authorized U. S. civilians employed overseas who receive their mail through an APO in the states.

Gift parcels for distant states should be mailed before December 5 to insure delivery before Christmas according to

Program Set Thanksgiving

Community Thanksgiving program is being planned for November 23 by the Canyon Pastor's Association.

The program will be held at Canyon High School auditorium, beginning at 7:30 p. m.

Special music will be presented by members of the Canyon High School Choir.

Higdon.

Parcels being mailed to local and nearby areas should be mailed by December 14. Name and address of both sender and addressee should be enclosed in each gift parcel to permit identity in case of damage or loss of the outside address label. Outside address label should be placed on only one

Nazarene Revival Underway

Rev. Leon F. Wyss of Bethany, Oklahoma, is conducting a revival this week at the new Canyon Church of the Nazarene, with services being held at 7:30 each evening.

The revival will continue through Sunday. Sunday services will be held at 10:30 a. m. and 7 p. m.

Rev. Joe L. Thompkins, pastor of the new Church of the Nazarene, extends a welcome to all residents to hear the evangelist speak and enjoy the special musical programs.

A graduate of Bethany Nazarene College in Bethany, Oklahoma, Rev. Wyss has served pastorates of Churches of the Nazarene in Missouri and Texas. He has served as district NYPs president, youth camp director, and while in college travelled with the A Cappella Choir and as a member of the male quartet.

side of each parcel.

Greeting cards for distant states should be mailed by December 10 and those for local delivery should be in the mails by December 15. Alaska and Hawaii mail should be mailed by November 30 with air mail set at December 15 to insure early delivery.

Overseas packages should be packed in boxes of wood, metal, fiberboard or strong double faced corrugated fiberboard and should be securely wrapped in heavy paper to strengthen the package. Each box should be well tied with strong cord and have sufficient cushioning material to prevent rattling or loosening of articles within the package.

A slip showing list of contents and addressee should be enclosed in the overseas parcels. Forms 2966 or 2976-A completed by the sender are required on parcels to many destinations. Domestic rates of postage apply and postage must be fully prepaid.

Badge Work For Scouts

Girl Scouts of Troop 12 met at the Girl Scout House last Friday afternoon with Mrs. Sam Jolly, leader, assisting with the badge program.

Attending the meeting were Kay Hawkins, Vesta Wilson, Gail Thompson, Monika Kuhlman, Julie Coffman, Karen Pettit, Pam Jolly, Brenda Counsellor, Pat Bayless, Sharon Freeman, Sharon Hinders, Susan Bewley, Arleta Wade, Jaycene Bellah, Marilyn Read, Glenna Smith, Lou Ann Beghtel and Diana Boone.

Cynthia Boone was a guest for the meeting and refreshments were provided by Susan Bewley and Marilyn Read.

Freeman Completes Training

CAMP PENDLETON, CALIF. (FHTNC) -- Marine Private Archie G. Freeman, son of Mr. and Mrs. Truman M. Freeman of 1203 Ninth Ave., Canyon, Tex., is scheduled to complete individual combat training Nov. 9 with the Second Infantry Training Regiment at the Marine Corps Base, Camp Pendleton, Calif.

Scouts Take Field Trip

Six scouts of Troop 108 took a field trip recently to Clovis, New Mexico, on the Santa Fe Railroad as a requirement for the railroading badge.

The local group joined some 250 scouts from throughout the Panhandle who made the special trip.

Those attending were Johnny Barrett, Ricky Ziegler, Roger Wilson, David Hernandez, Chris Blasdel and Lacey Comer.

Mrs. Kay Jones and children Cathy and Cindy, of Borger, were recent guests at the home of her parents, Mr. and Mrs. V. B. Hubbard.
